Roaring Twenties Dance Theme

The Roaring Twenties lived again on May 29. The scene was the T.J. Lounge and the atmosphere brought to mind thoughts of flappers and twenty-three skidoo! Pat Thrash was crowned Miss Aristocrat proving that the seniors once again purchased the greatest number of annuals in proportion to enrollment. Guillemette de Pury, junior, and Janice Benson, sophomore, were the Aristocracy. The 1962 Aristocrat was a success and everyone enjoyed dancing and autographing until 11:00 that night. Music was by the Mile-Hi Five.

COLOR DAY HONORS BASED ON CLASS PARTICIPATION AND SPIRIT

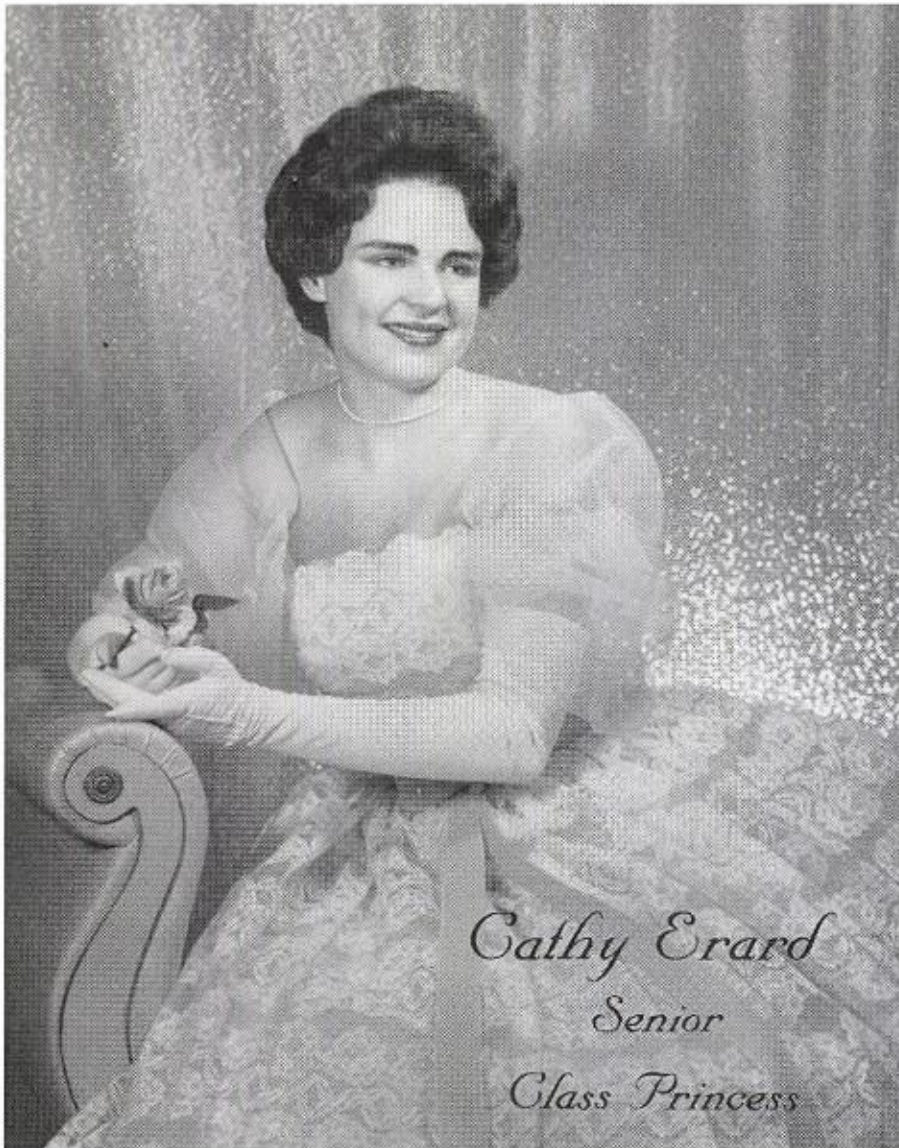

Annual color day ceremonies observed in Denver public high schools combine class participation and spirit to bring to the front contributions of each class to its home school.

Color Day May 11 found the morning involved in the traditional observance of crowning Color Day Queen. In the afternoon the senior high students met at the All-City Stadium to root for Jefferson track athletes.

The evening was climaxed by dancing at the annual Color Day ball.

On the evening of December 9, 1961, the junior class of Thomas Jefferson transformed its favorite noon-gathering place into a "Bewitched" ballroom. Ropes of crimson roses, a frosty, red punchbowl, and scarlet streamers were the decorations for the dance. The suspense was relieved at last when Dave Buchanan, president of the junior class, crowned Barbara Crabb queen of the Junior Prom. Her attendants were Donna Milan and Wendy Milner. Between numbers played by Ron Gist and his band, the group enjoyed refreshments and talked in the lounge area.

Couples danced to the music of Ron Gist's band from nine to twelve that evening.

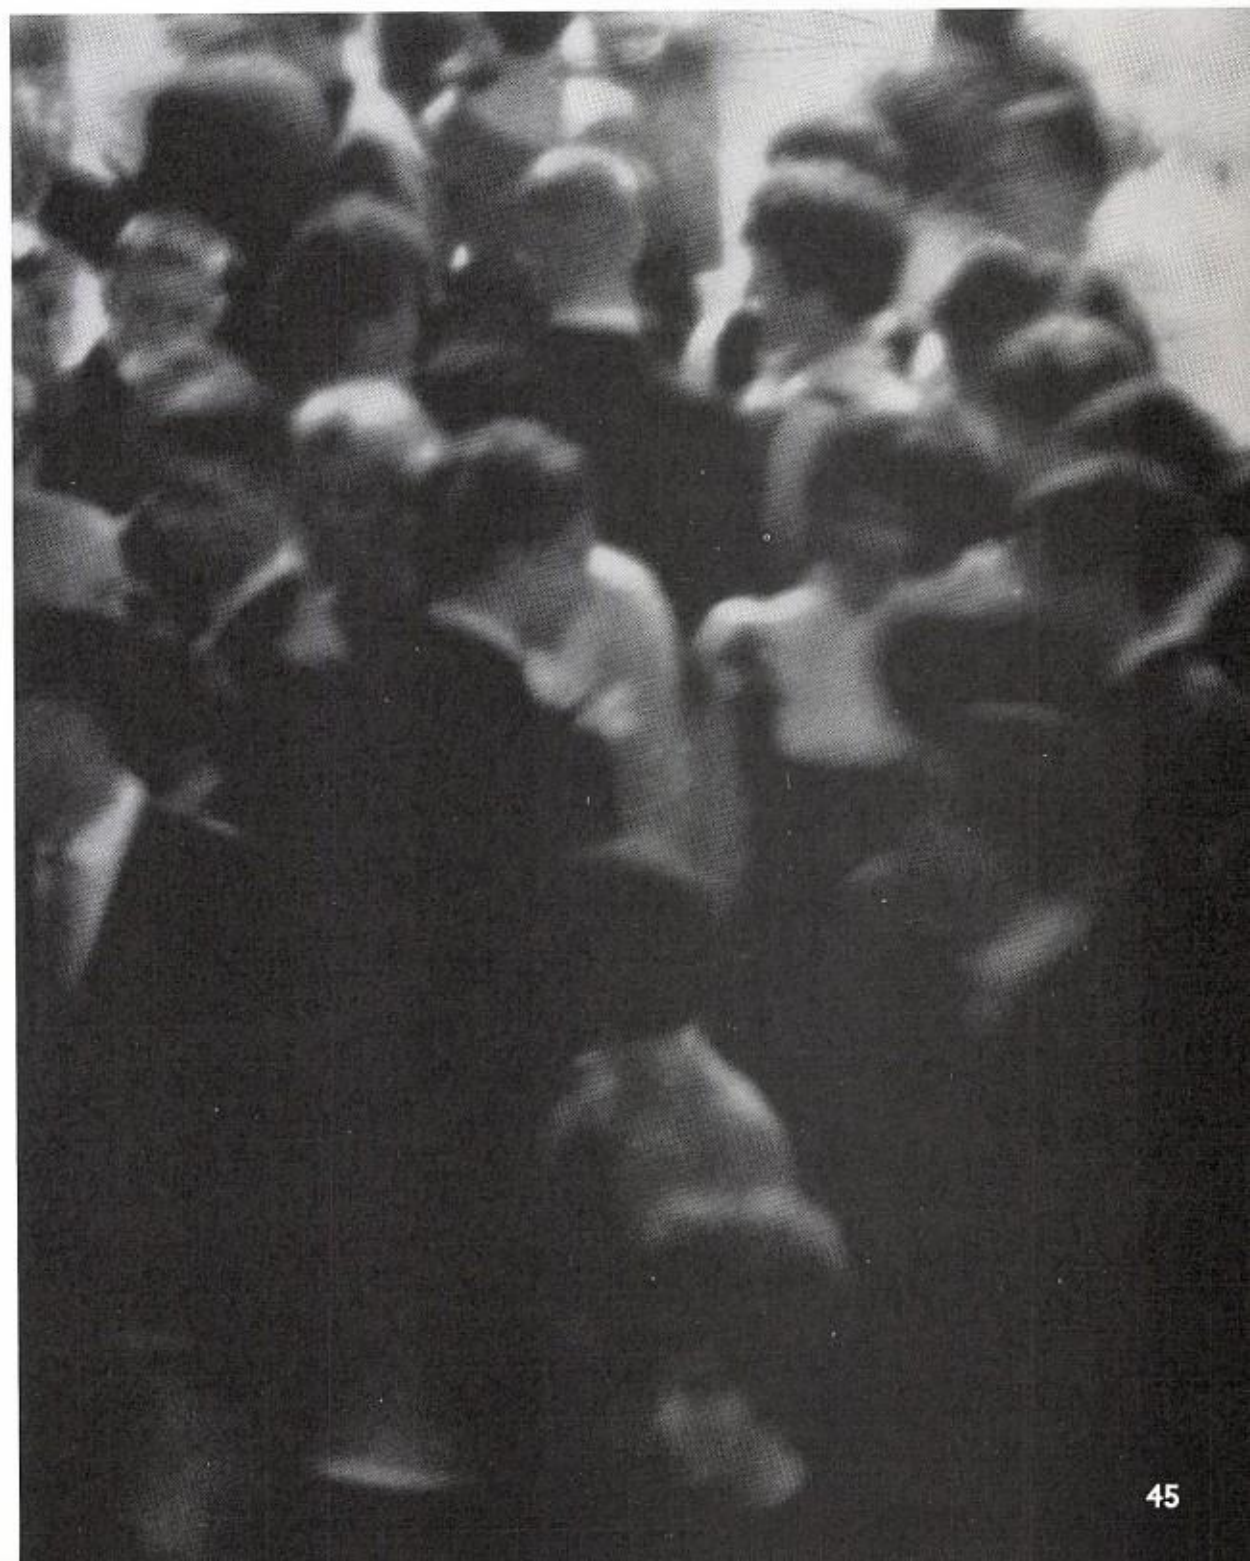

Dances

The beginning of an eventful night—the telephone call—the dress—the hair—the shower—and finally the chime at the door echoing a smiling face.

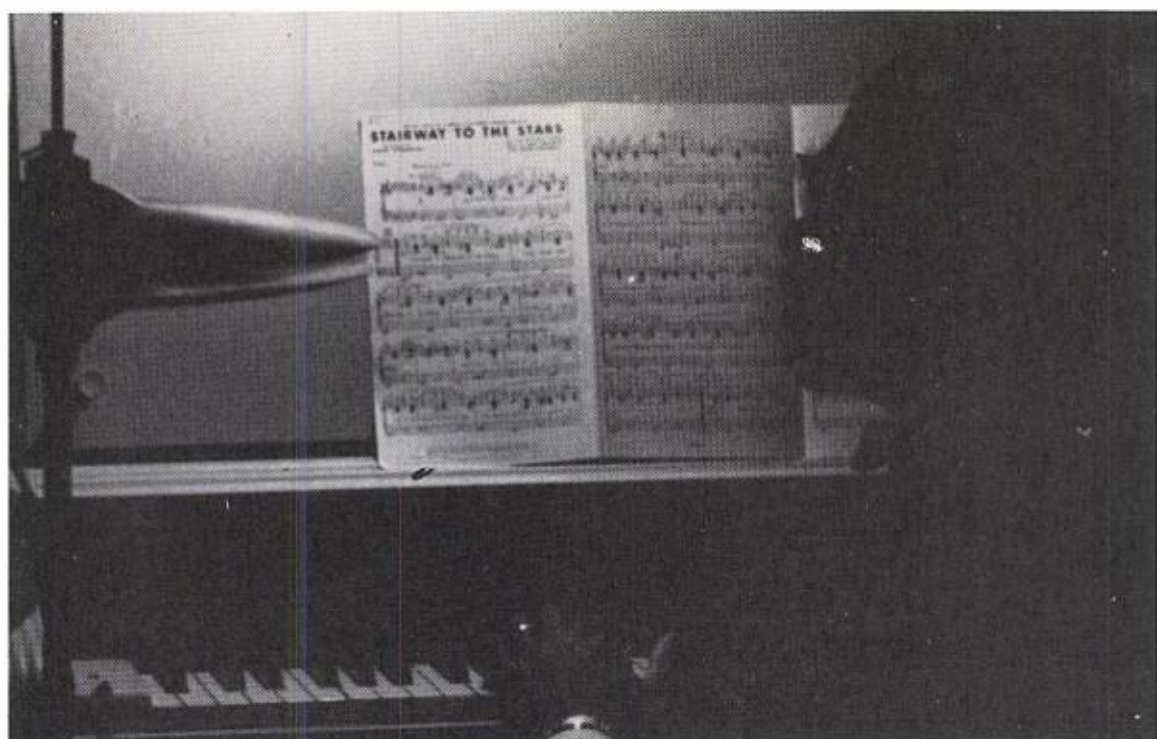

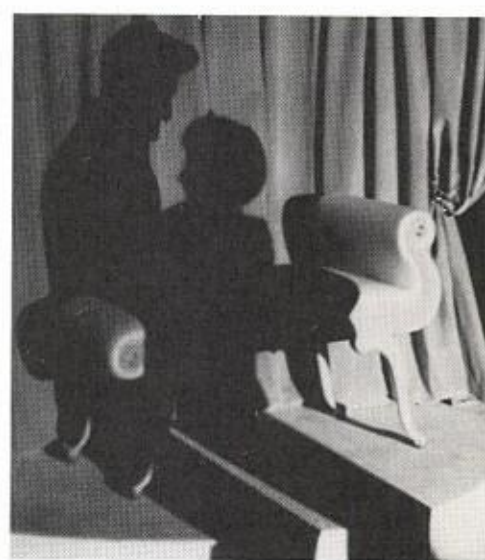

The arrival—the first, friendly faces, checking coats—silent hands buying drinks—the blurred figures of elated, thoughtful students, enjoying the feature of the night.

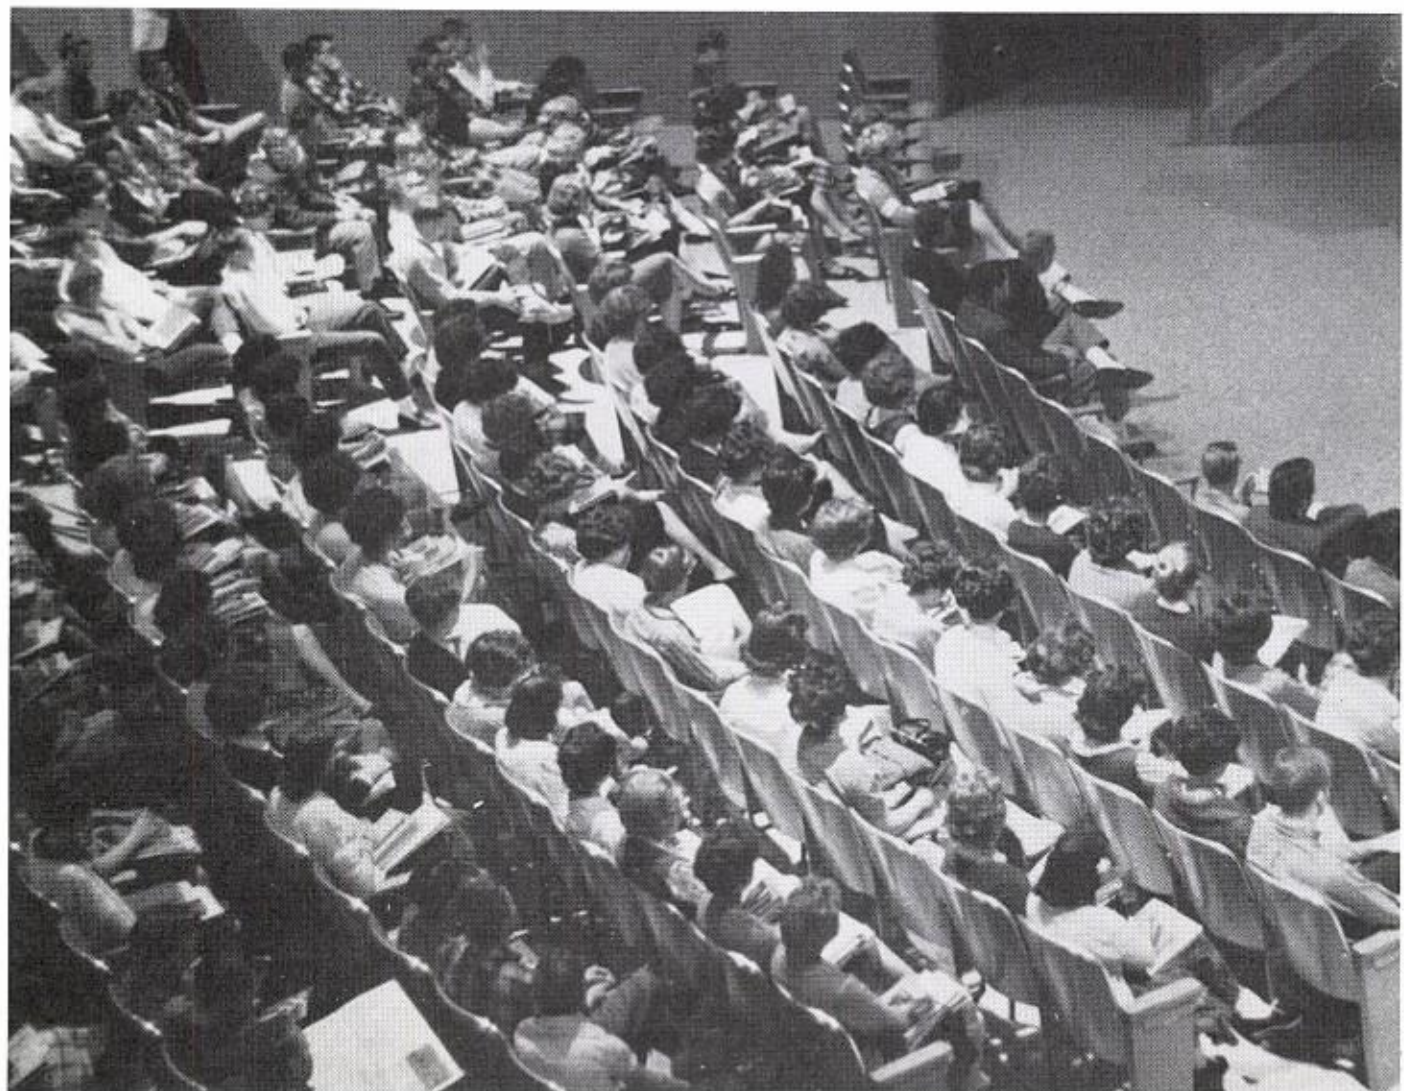

The low-burning lights highlight an entire evening of dancing. The lights of the slowly dancing couples—the triumphant coronation—the piano's script—the departing words—the lights of memories fading indelibly into the background of the mind.

Assemblies provide a break in monotony of ordinary school days. This year's program of assemblies was varied and interesting. Some were funny, some were educational, and some were moving and inspirational. The students learned from many informed speakers, laughed at the wild antics of the yearbook staff, enjoyed the selections of the musical groups, and experienced genuine emotions as the student council presented Mr. Schumacher with a token of the school's appreciation. The audience and the participants contributed to make assemblies something everyone could look forward to.

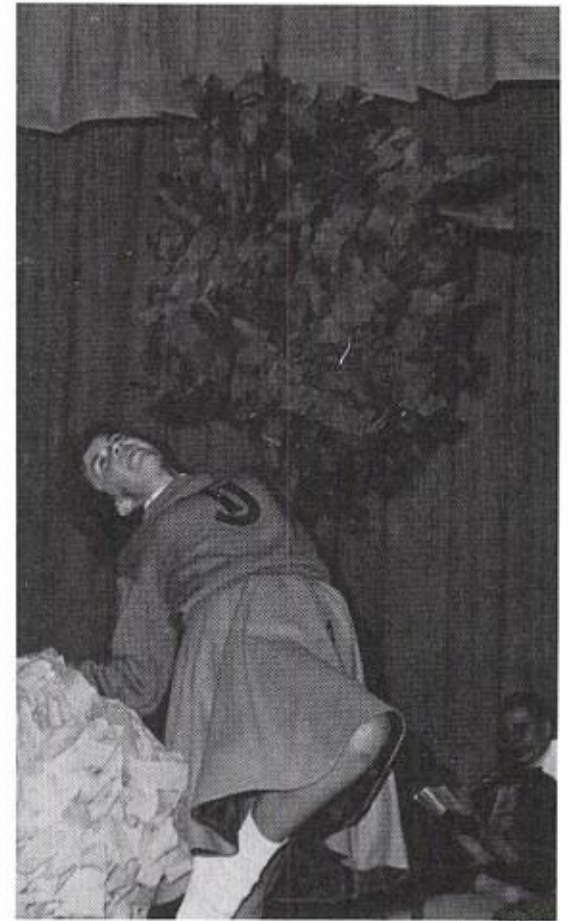

Assemblies

Rallies

Nothing makes school spirit higher than a winning team; and nothing makes our teams want to win more than a lively rally, where the Thomas Jefferson Spartans put everything into their loyal cheers. When we let the teams know that we are behind them, win or lose, they will do their best. Rallies boost the spirits of the audience too; in fact, everyone leaves with an elated feeling! The cheerleaders, the Pom Pom girls, the Pep Club, and you support T.J.'s teams at the Rallies.

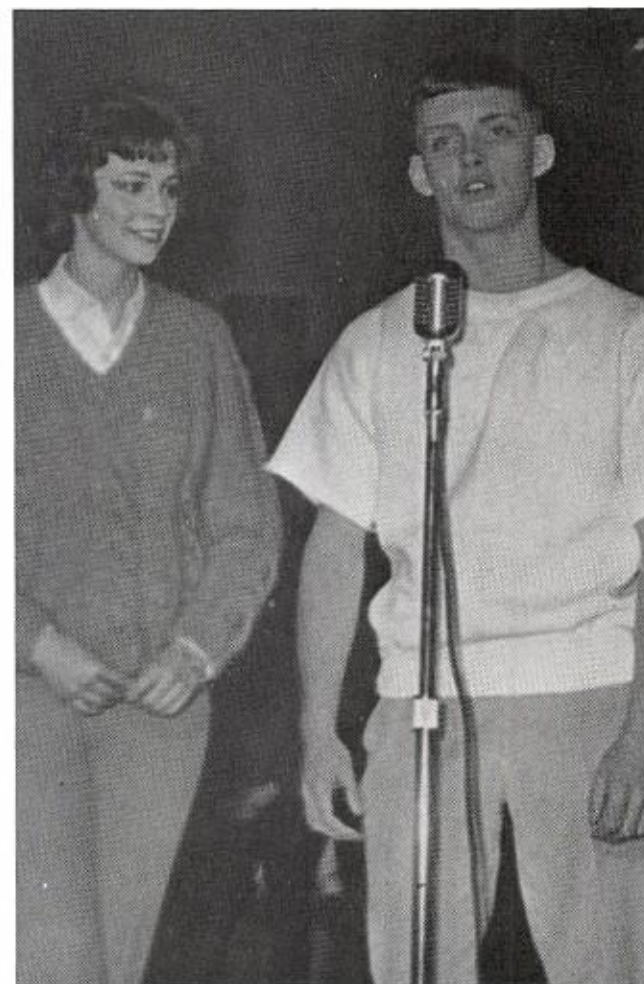

All School Show

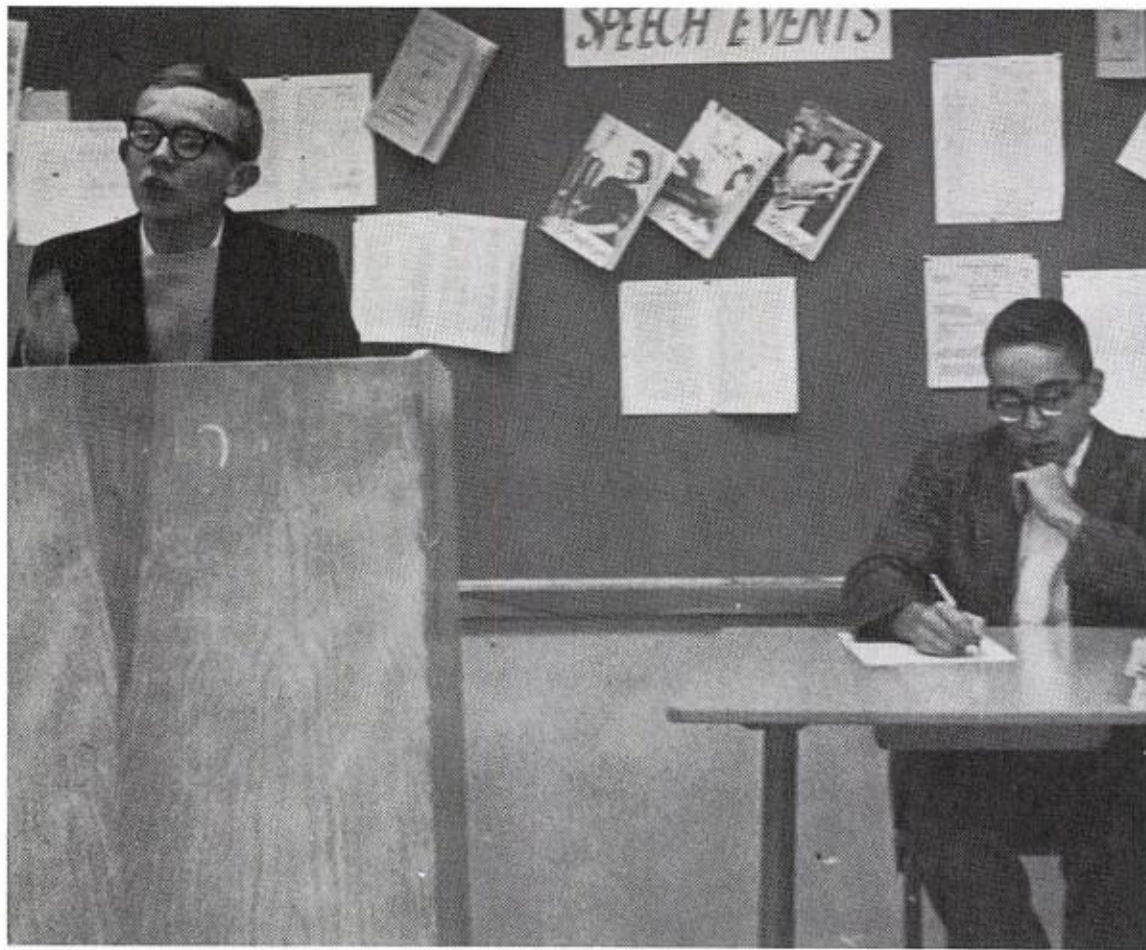

An original plot by Mr. Ken Justice, interwoven with imaginative talent acts representing all six classes, made an entertaining All School Show for the students, their parents, and their friends. Under the direction of Mr. Alan Baker, who was the assistant choreographer for *West Side Story*, the amateur dance numbers had a professional appearance and impressed the audiences with their polish. This year two performances were held on March eighth, and tenth.

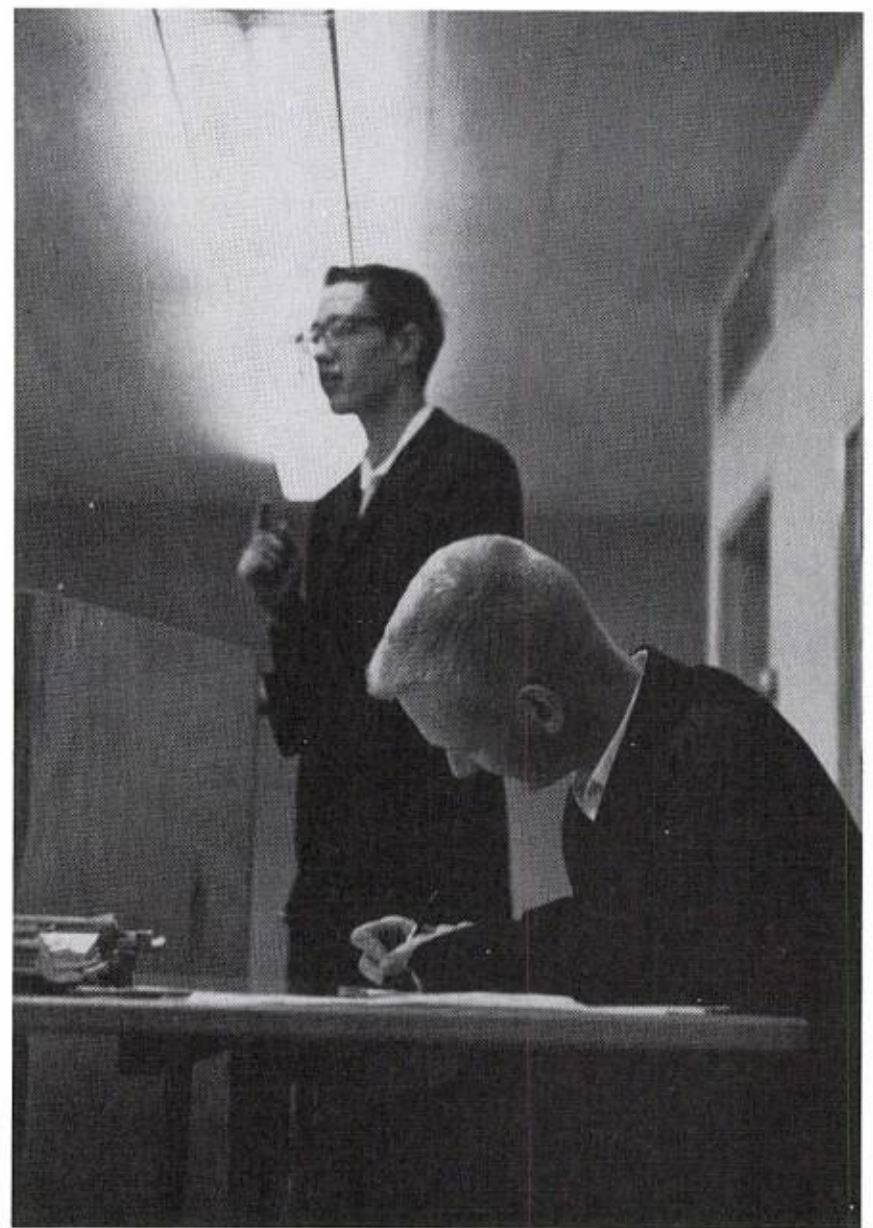

Music and dancing were the highlights of "Dockside Dilemma." Several dance lines performed and Thomas Jefferson's orchestra and show band provided lively background music and solo numbers. The chorus sang and there were small groups of singers along with soloists.

The speech activities at Thomas Jefferson resulted in building one of the most successful groups at the school. Each of the speakers attempted to perfect his own delivery and content in order to contribute to the total effort of the team.

Junior High Talent

Unique in a six year school is the opportunity for the junior levels of talent to develop on a senior high level. The sounds of changing voices and limber feet struck the school as a foreshadowing of future mellow, trained showmanship.

Rated a darkhorse in pre-season polls, Thomas Jefferson's footballers more than lived up to expectation under the able leadership of coaches Gene Wurtz, Ken Hughes and Don Day. The Spartans had a fine season, finishing with seven wins, two losses and one tie. Five wins and two losses in Denver Prep League play brought a third place finish after mid-season injuries caused two later league losses. Five Spartans were picked as All-City players for either offense or defense or both.

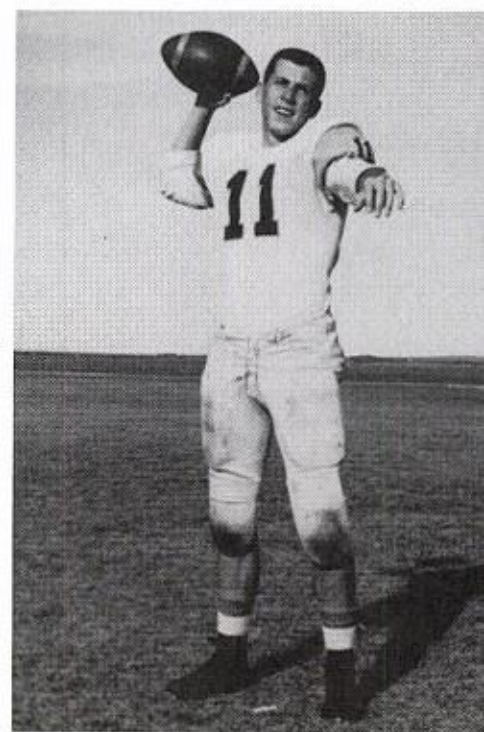

In non-conference play, the Spartans were undefeated, tying one game. In the season's opener, a balanced Spartan attack produced a 25-6 win over Alameda's Pirates. Rex Peters scored twice and Jim Shikles and Tim Whalen each scored once.

Against Cherry Creek, in perhaps the finest game of the season, the Spartans ran up a 25-0 halftime score to coast to a 31-6 victory. Jack Frost, Jim Shikles, Dick Sullivan, and Rex Peters all scored for the Spartans.

In their league debut, the Spartans overpowered North's Vikings by a 20-0 score. Rex Peters and Jim Shikles scored in the second half to lift the Spartans from a 0-0 halftime deadlock after both teams had missed first-half scoring chances.

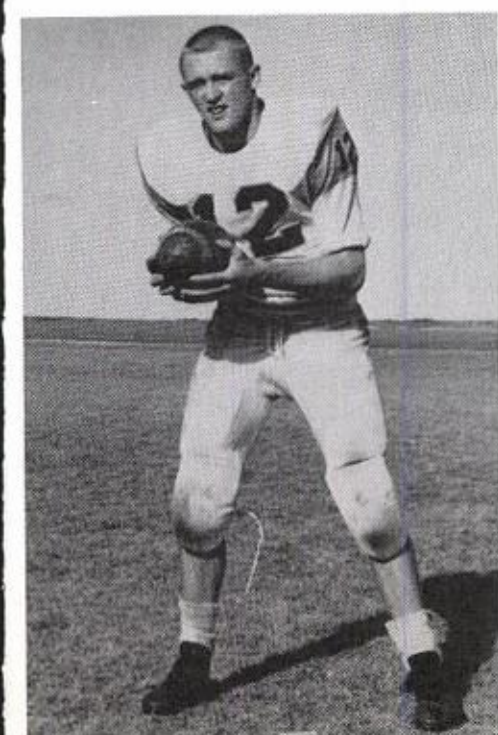

Jefferson's gridders continued their winning ways with a 32-6 victory over Abraham Lincoln. Quarterback Tim Whalen looked sharp as he passed for four touchdowns and scored once himself in a three-period scoring barrage.

The success of the team is shown in Rex Peters and Jim Welker.

Spartans Clobber South, 39-12

Jefferson's next outing was against South on October seventh. The Spartans scored quickly and often as they built up a 39-0 lead before South scored twice on Jefferson reserves to make the final score 39-12. Rex Peters and Jim Shikles scored twice, while John Shikles and Bob Drange scored one touchdown apiece.

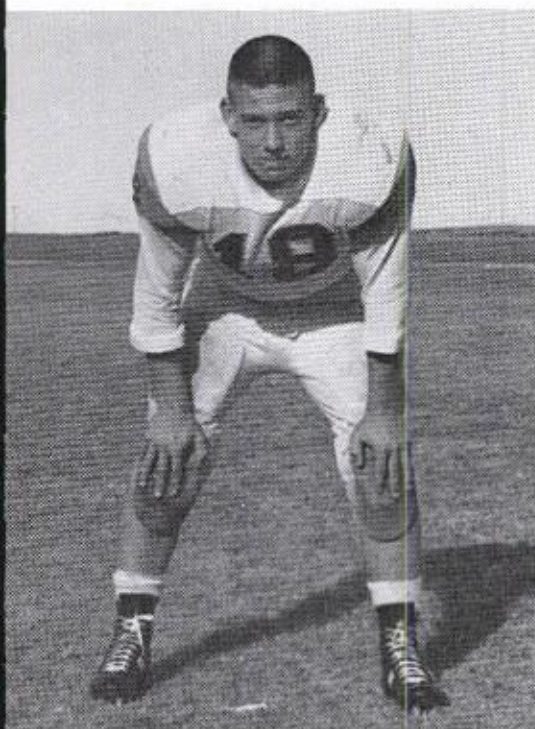

Jefferson took a break from the league schedule the following week to play Aurora. The Spartans remained undefeated, but saw their winning streak halted at five games as the two teams battled to a 14-14 deadlock. Prior to this game, the Spartans had been rated fifth in the state.

Pursued by South players, John Shikles sweeps around right end.

Returning once again to league play, the Spartans delighted a Homecoming crowd by crunching the West Cowboys 25-14. Jefferson had to come from behind to erase an early 7-6 West lead. Tackle Bill Coffee had the unusual pleasure of scoring a touchdown by recovering a West fumble in the end zone.

East Edges Jefferson

On the following Saturday, Jefferson's Spartans faced the East Angels in a game that carried the probable league championship and a berth in the state playoffs. Playing without the full-time services of fullback Rex Peters, the Spartans came out on the short end of a 14-2 score. Jefferson's only score came in the third quarter when Rich Grunberg tackled an East player in the end zone for a safety.

Dave Buchanan kicks an extra point against Washington.

Spartans Edge Manual

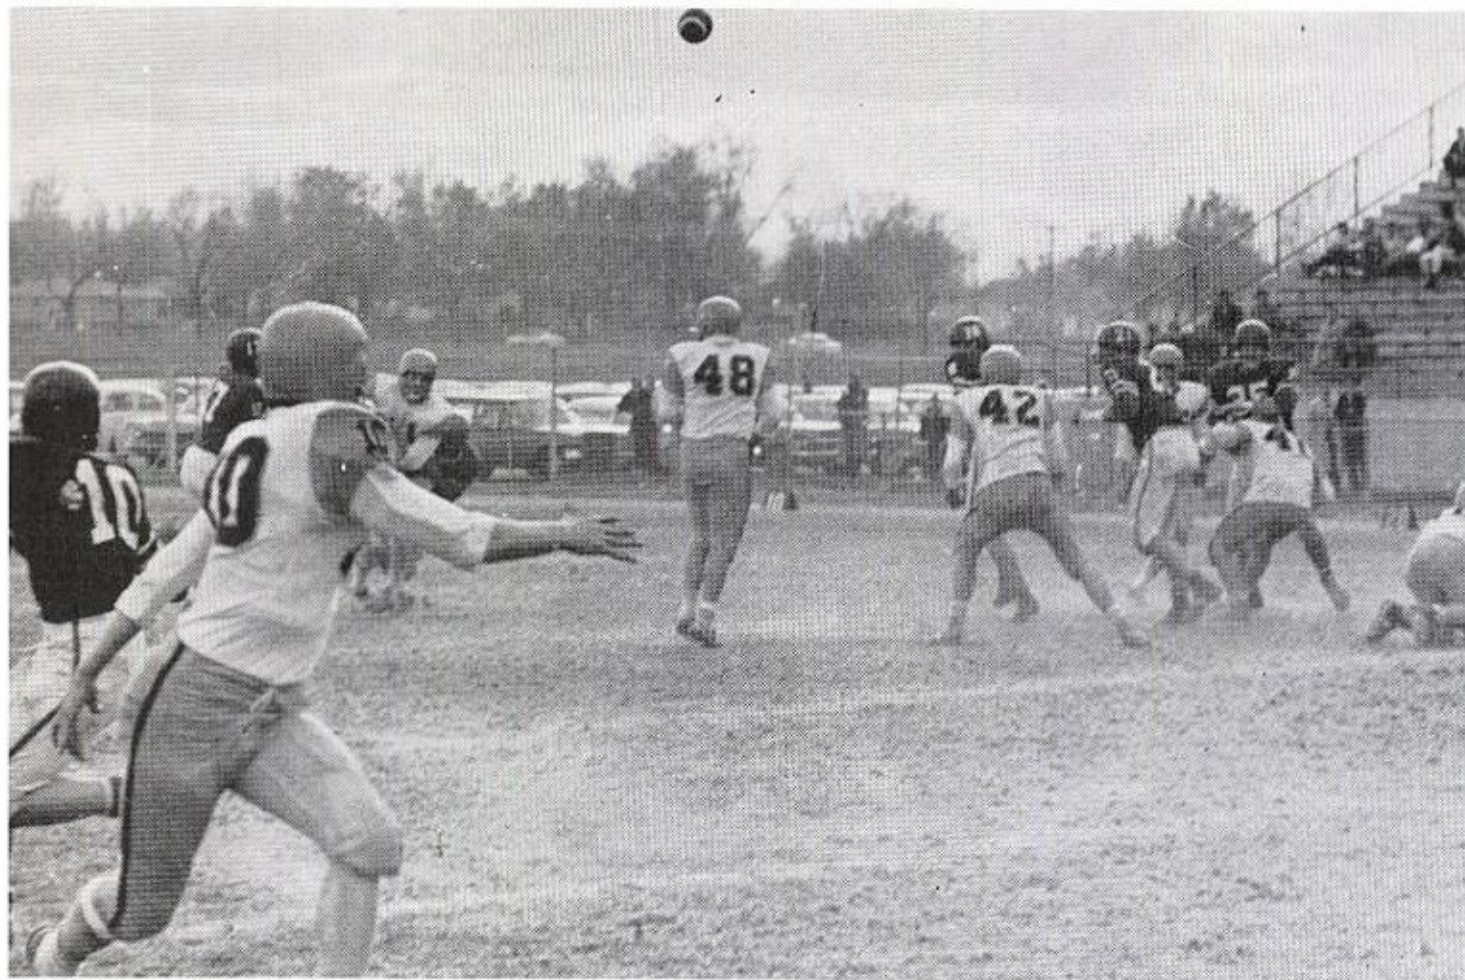

Their spirit down after the previous week's defeat at the hands of East, the Spartans met the Thunderbolts of Manual, and barely escaped with a 13-12 victory. Jim Shikles and Rich Grunberg each scored one touchdown, but Dave Buchanan's point after touchdown proved to be the difference.

In the final game of the season, Thomas Jefferson's Spartans met George Washington's Patriots in a game that was to decide second and third places in the Denver league. Spartan fans were delighted as Jefferson roared back from a 19-0 deficit to take a 20-19 lead with less than five minutes left in the game. All delight turned to dismay, when, with less than a minute remaining, Washington scored again to win the game 25-20.

Juniors Aid Varsity

In Junior Varsity games this year, the Spartans played very well in winning four of five games. Two scheduled games were not played because of poor weather. The members of the Junior squad will form the nucleus of a fine Varsity team next year.

Runners Set School Records

Despite a much finer overall team, Jefferson's cross country men could do no better than a seventh place finish in the city meet. The school record was broken by three runners, Jerry Franklin, Steve Reeves, and Bob Randolph. Randolph had the best time, 8:05.4 for the mile-and-a-half course. All but one of the top five runners will return next year.

The Spartan cagers, led by Coach Gaston Santi, finished the season with a 6-8 won-lost record. Jefferson had an excellent first round, winning five out of seven, but they couldn't put together four good quarters in any one game in the second round after their win over North. The Spartans showed that they had the ability to be a title contender as they split with every team in the league except the first place East Angels.

The team was led by the superb shooting of senior Don Tilsley who also led the league's scorers with a record high of 266 points. Co-Captains of the team were Don Tilsley and Rex Peters. Jefferson can hope for an even better team next year with five juniors and one sophomore who played on the varsity team.

Spartans Split With North, South

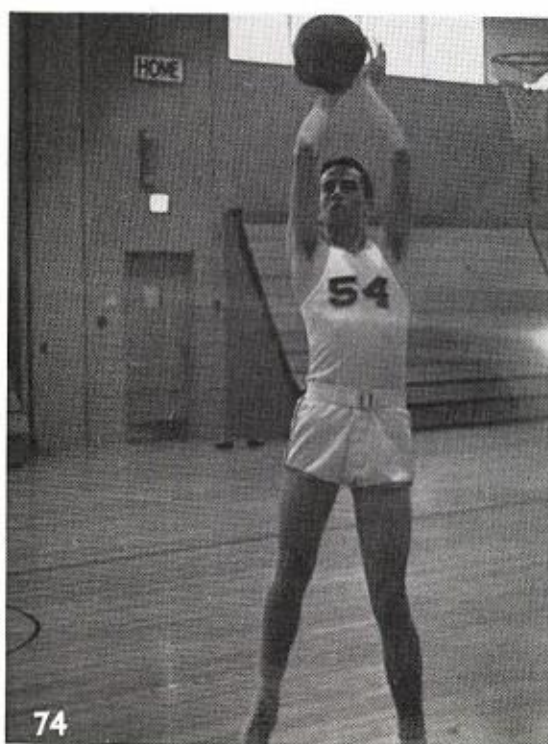

Thomas Jefferson's first league outing was against North at the North gym. A brilliant fourth quarter rally fell just short as the Spartans lost the game, 64-61. Don Tilsley scored twenty-seven points to start the season as the league's leading scorer.

Against North in a second round game, Jefferson held the lead throughout, until they fell five points behind near the end. However, deadly free throw shooting in the final minute of play won the game for Jefferson, 62-61. Don Tilsley, Jim Shikles, and Tim Whalen all scored in double figures, while Bill Nasi contributed nine points and numerous rebounds.

Jefferson employed an all-court press to gain a 33-29 half time lead in the first game with South. A vigorous South rally in the waning minutes could not overcome Jefferson's lead as the Spartans won, 64-57. South's big scorer, Joe Wheeler, was held to three points by the Spartan defense. Rex Peters and Don Tilsley scored 19 and 18 points respectively to pace the Spartan offense.

At the Auditorium Arena in the second round game, South led all the way to defeat the Spartans, 54-47. Don and Rex again led the Jefferson scorers with 12 points each.

Spartans, Lancers Trade Wins

Having won their first league game against South, Jefferson then traveled to Lincoln. Behind at the end of the first quarter, the Spartans gained a one point half time lead 26-25, and went on to win 51-45. High point man for the game was Jim Shikles with 20 points.

The second game was a different story, as the Lancers won their first league contest by a score of 65-59. The determined Lancers gained an early lead which the Spartans were never able to overcome. Don Tilsley led all scorers with 23 points.

Jefferson Lengthens Win Streak

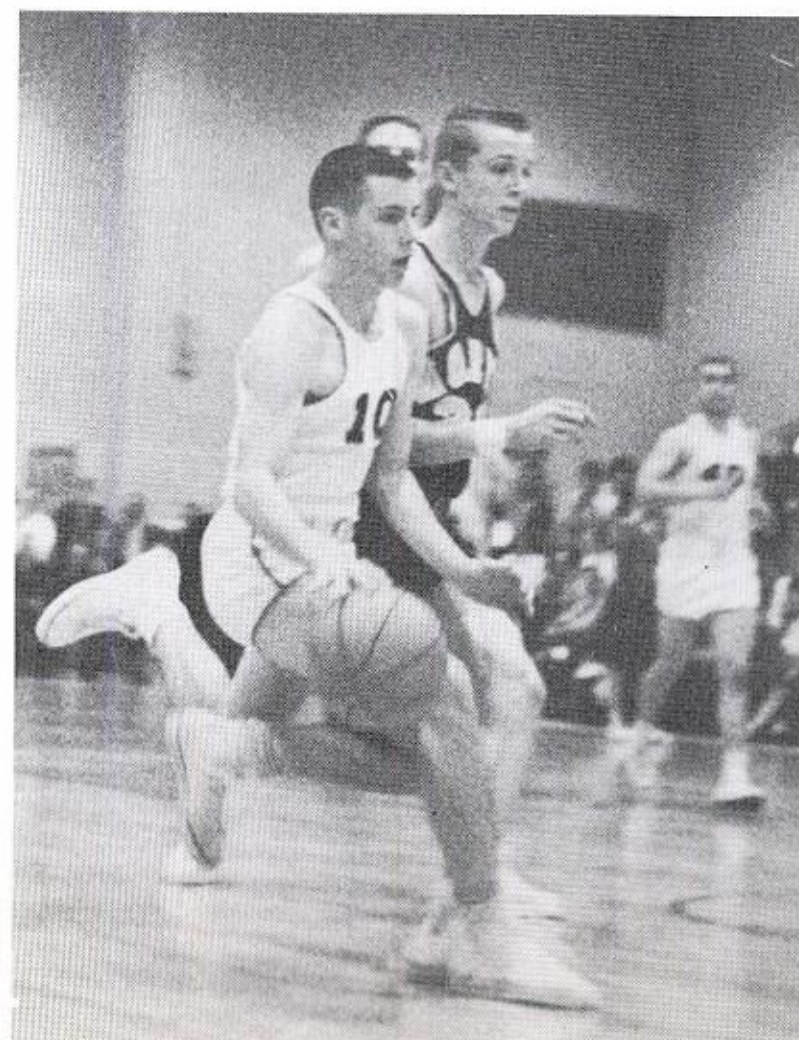

Jefferson pulled a big upset with a 62-61 overtime defeat of the Manual Thunderbolts. Manual rallied in the fourth quarter to tie the score at the end of regulation time, but Jefferson kept its poise during the three minute extra period. Don Tilsley, Jim Shikles, and Rex Peters accounted for fifty-two of the Spartans' points.

Hot shooting in the second game gave Manual a decisive victory over Jefferson, 73-48, as the Thunderbolts won their seventh game in a row. Don Tilsley scored fifteen and Tim Whalen scored thirteen for the Spartans.

A fine team effort produced a 57-56 come-back win over Washington. Tim Whalen drilled two clutch free throws in the final minute to preserve the victory for Jefferson. Don Tilsley scored eighteen points for the Spartans.

Six weeks later, Washington handed Jefferson its fourth straight second round defeat, 75-56. The Spartans were behind eleven points at the half and then narrowed the gap to six points at the end of the third quarter. Jim Shikles scored fourteen, and Larry McBride scored thirteen.

Tim Whalen dribbles across the mid-court line in a game with North.

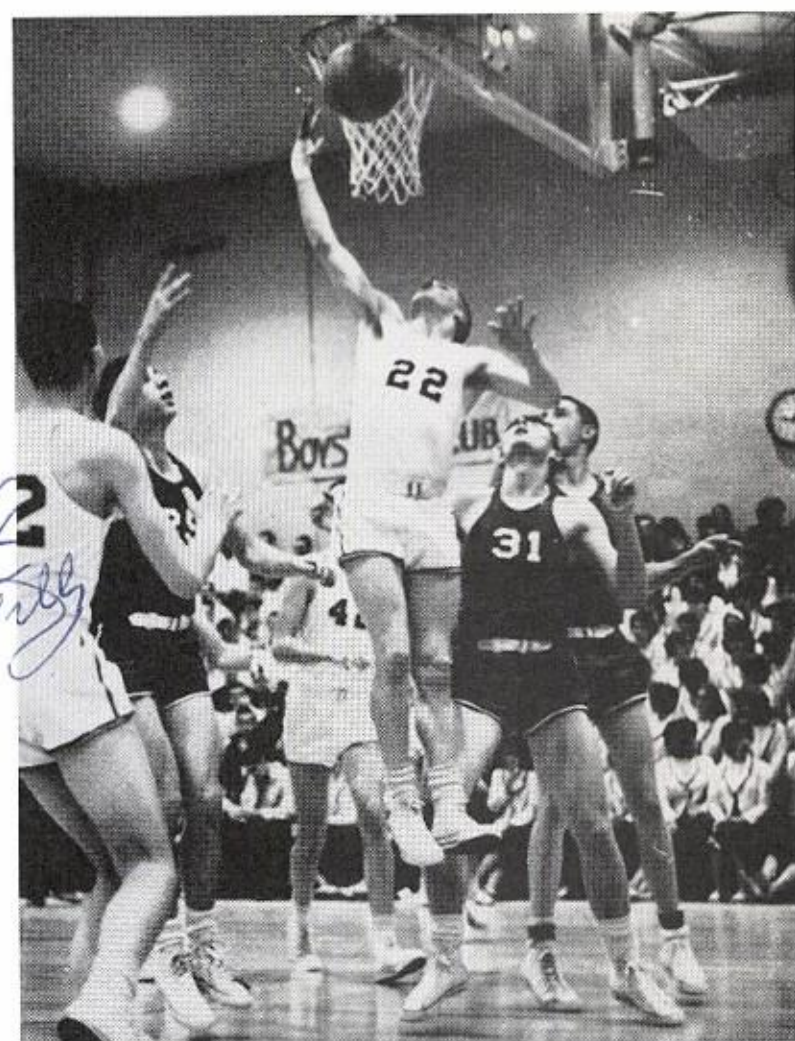

Tilsley Sets Record

With the first round victory over Washington behind them, the Spartans returned to their home court to play the league-leading West Cowboys. Jefferson won the game, 65-61, to tie for first with the previously undefeated Cowboys. Jim Shikles led all scorers with twenty-four points while Don Tilsley contributed seventeen. In the closing minutes of the game, however, Jim Shikles broke his wrist as he collided with a West player, an injury which was to slow the Spartans' attack in later games.

Meeting West at the auditorium arena in the second round of play, the Spartans played ball control throughout the first quarter. Despite this unusual manner of play West gained an early lead which they maintained for the rest of the game. Although the Cowboys won the game, 52-43, Don Tilsley was the game's high scorer with twenty-five points.

In the final game of the first round, the Spartans, riding on a five game winning streak, played East at the auditorium. Jefferson never found the range, and were routed by the Angels, 70-37.

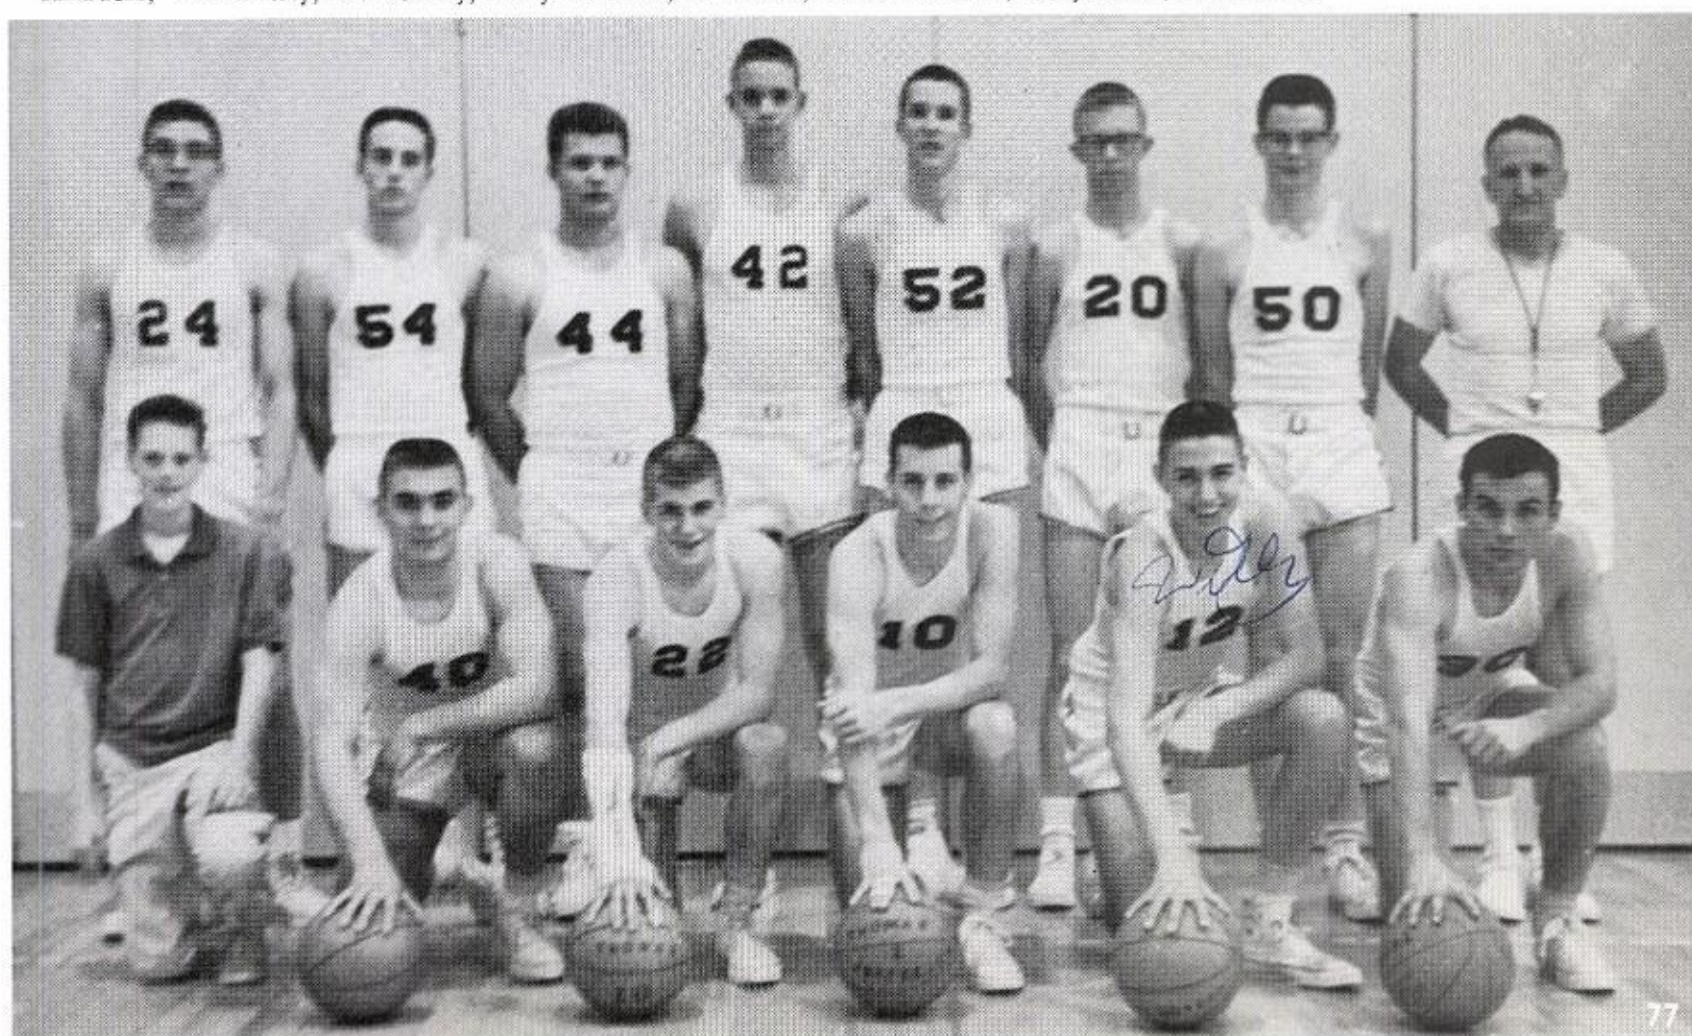

The time for the second game with East found the East Angels tied for the league lead with a 10-3 won-lost record and the Spartans tied for third with a 6-7 record. In the individual scoring race, Don Tilsley was two points behind the two leaders. The Spartans stayed close in the first half, due greatly to the hot shooting of Tilsley who collected twenty-one first half points. A third quarter splurge by East put them in front to stay, but Tilsley kept his good eye for the basket. The game ended, 82-71, in favor of East, but the Spartans gained a moral victory with the record setting forty-one point Tilsley performance. Don set a season scoring record of two hundred sixty-six points as he won the league scoring championship with an average of nineteen points per game.

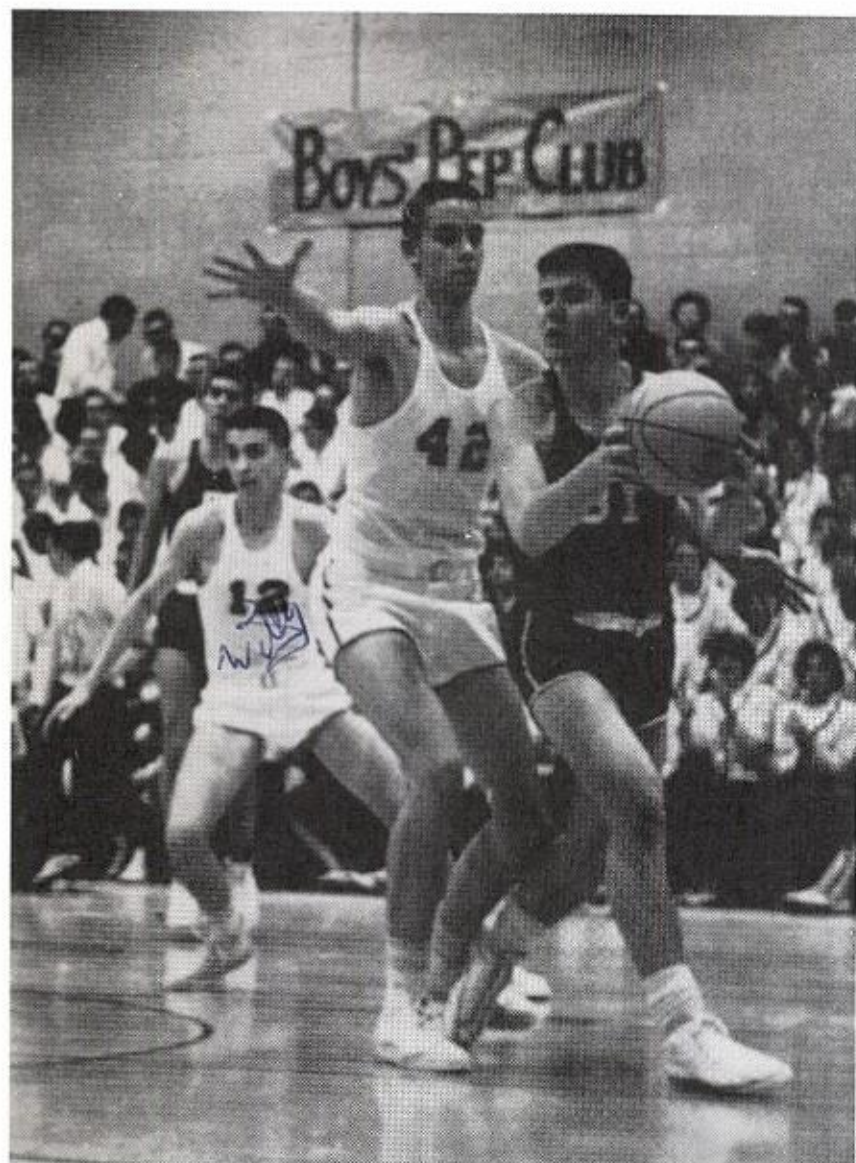

Speed gives Jim Shikles an easy basket.

The 200-yard free style relay team, composed of Steve Sheridan, John McCarthy, Ron Proven, and Terry Danko, set a city record of 1:49.2 in the city meet, and continued on to take first in state.

Spring Sports

In the Denver Public Schools, spring sports include gymnastics, baseball, and track. Practice in these sports began March 1, and success looks very possible judging from pre-season results.

Gymnastics

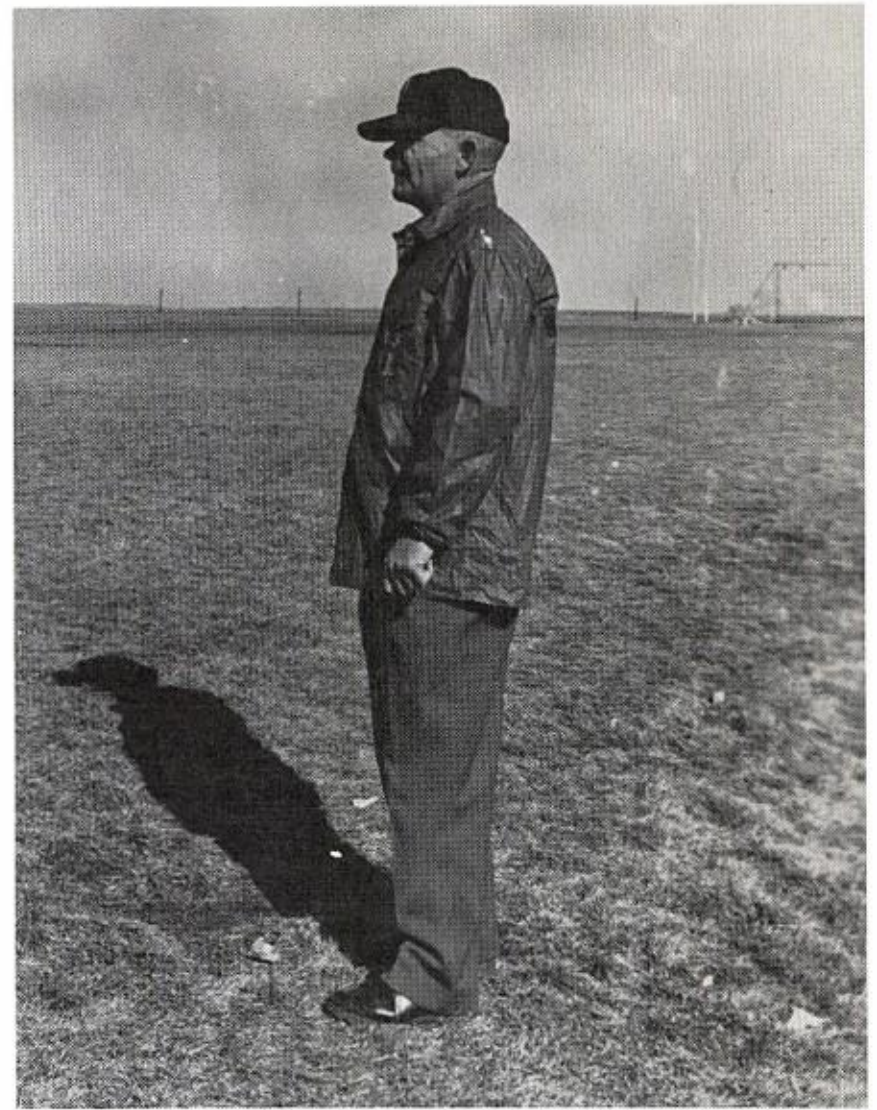

Under the supervision of coach Jerry Smith, the Spartan gymnasts show much promise. An individual sport such as gymnastics requires a great deal of practice and discipline. Sophomore John Fisher demonstrated a high degree of potential by placing in five of seven events which he entered in the first meet.

Chuck Baughman shows his ability on the parallel bars.

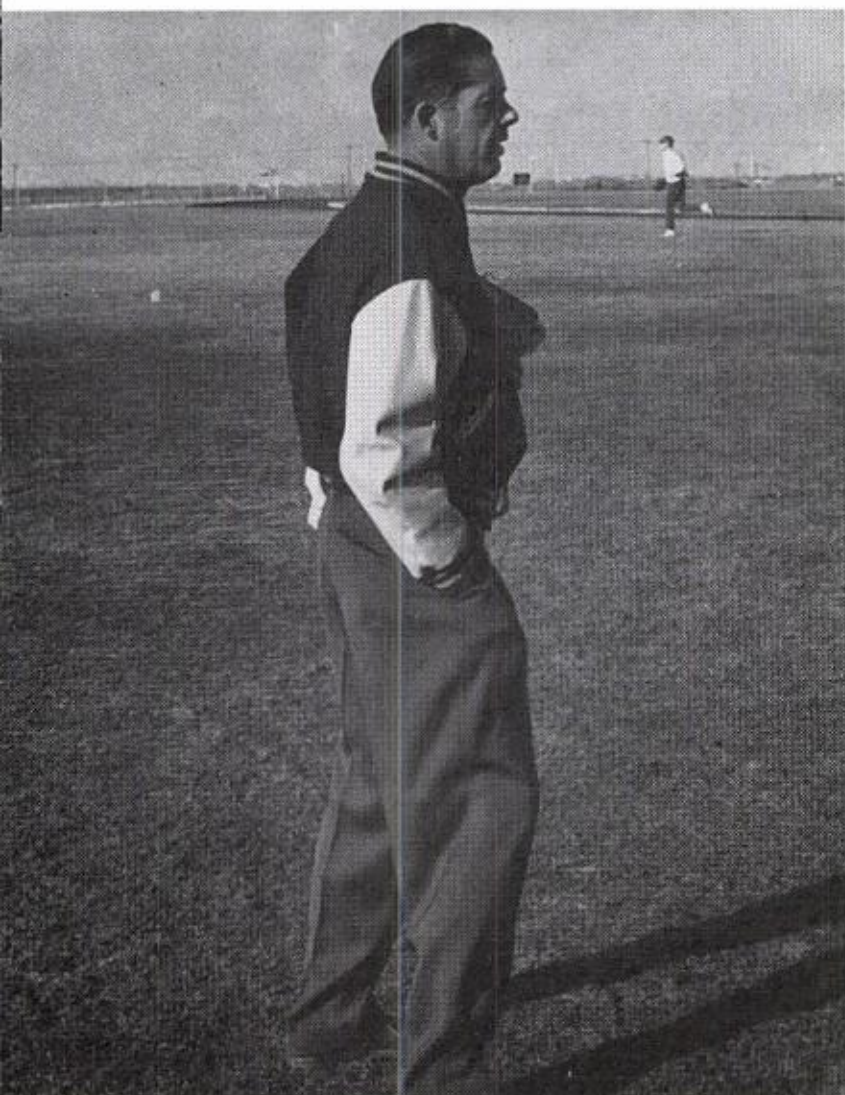

Baseball

The baseball team is aided this year by many returning lettermen, including All-City men Rex Peters and Dick Sullivan. Coaches Mike Willett and Gene Wurtz have reason to believe that the Spartans' third place finish of last year could be greatly improved. A city championship is in sight.

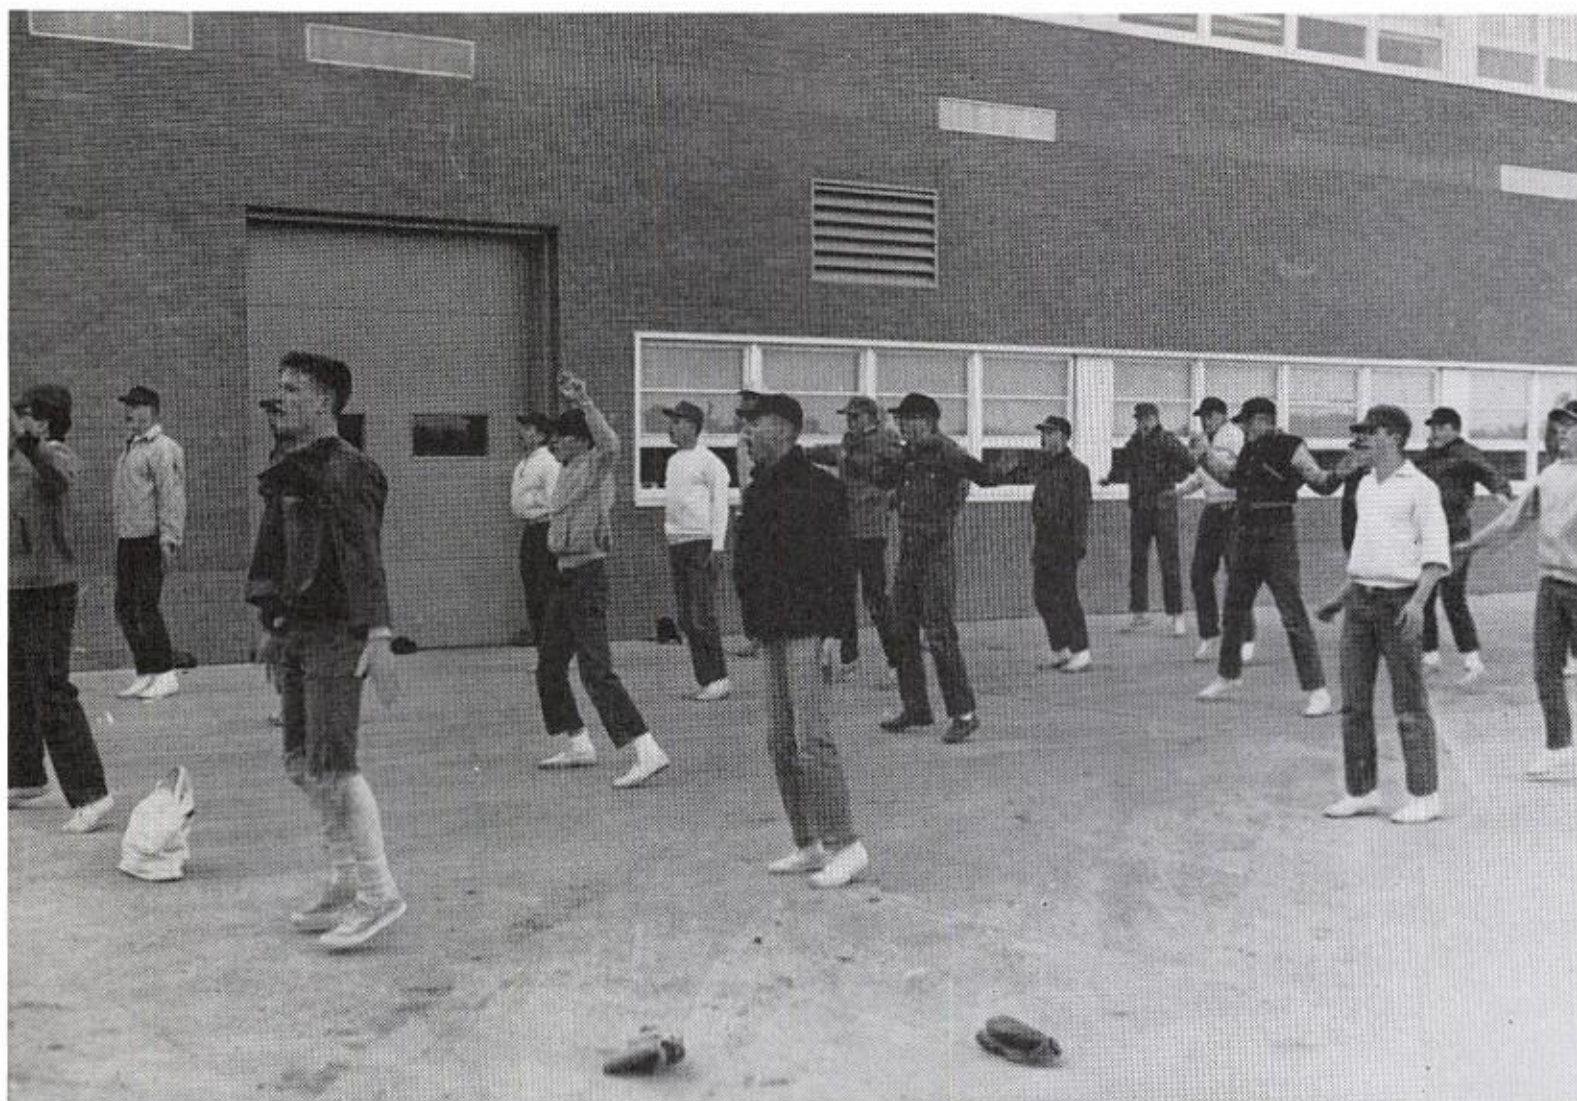

Coaches Willett . . .

Inter-Club Council Deals With Student Problems

A new and important club has been organized at Thomas Jefferson; it is the Inter-Club Council. Inter-Club Council is the medium by which the representatives of the clubs can come together. They discuss the problems of their many organizations and try to find solutions.

Under the leadership of Steve Froling, president, and Jim Shikles, vice-president, the representatives of the various clubs meet when meetings are necessary. They are working toward the co-ordination of club activities.

Honor Society

Tradition Established

Mr. Carl Rondinelli organized the Thomas Jefferson Scholastic Honor Society for pupils in grades 10 through 12 who had a 3.5 grade average. This organization promotes interest for the levels of higher education. A student is familiarized with the scholarships that are available. Discussions are given on college entrance requirements. A tradition was established in Scholastic Honor Society, by giving a tea for the Thomas Jefferson alumni.

Preparing for the alumni tea are members of Scholastic Honor Society.

Taking care of the switchboard keeps the members of Atherfies busy.

Charity Theme of Atherfies

Atherfies is the Greek word for "sisters." This organization is made up of outstanding senior girls who have a 3.2 or above grade average. These girls promote good will and service among the students and the faculty through their time, effort and initiative.

Each girl assists one hour a day. They ushered at "Our Town" and at the Science Fair held at D. U. Old Folks Homes were presented Christmas trees. The Atherfies published a book on the traditions, customs, and policies at T. J. and a tea was held in the spring for new members.

Surveying a map of southeast Asia are members of Great Decisions. Vietnam was the first subject area studied. The map shows the political divisions of the Asian countries.

Great Decisions Attracts Keen Interest

Important issues are facing Americans every day. We must learn to be alert to the problems of the world. A nationwide program is under way to help us gain much-needed knowledge. This program is called Great Decisions.

Vietnam, Red China, Brazil, Nigeria, Iran, Berlin, the United Nations, and the United

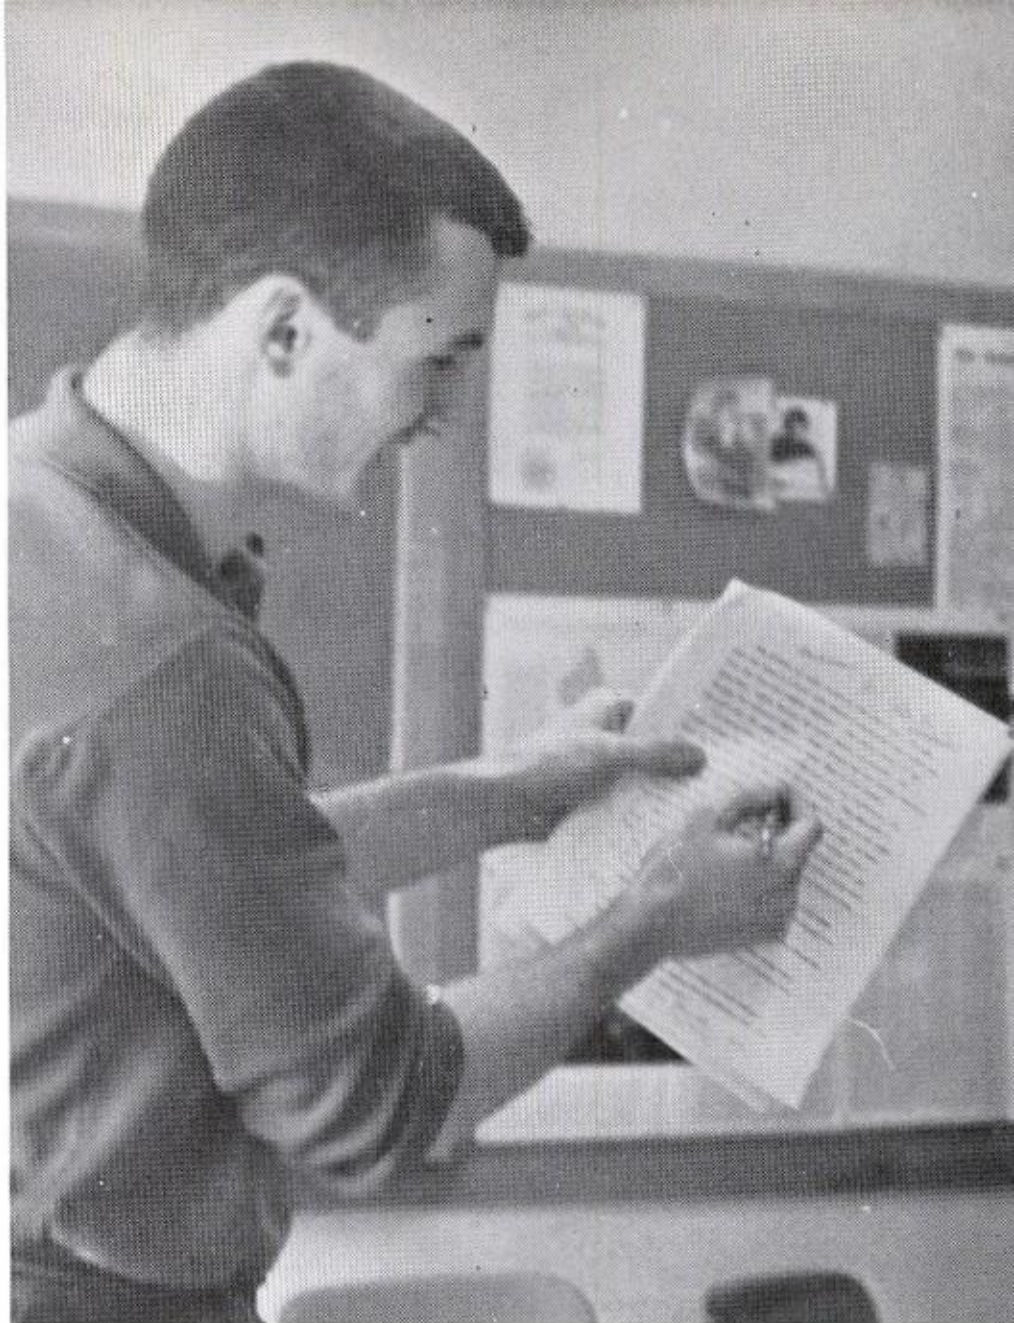

States Foreign Policy were the subjects covered in this year's program.

Members of speech classes and the Future Teachers of America Club volunteered their time and talents to help enlighten the members. The students at Thomas Jefferson took a keen interest in studying how to cope with these serious problems.

Foolscap Fillers Publishes "Catharsis"

Foolscap Fillers has been organized for those interested in writing. It is a means by which a person may improve his writing skill through practice and the analysis of great works of literature.

The creative talents of the members were displayed in the main hall. These presentations included poems with illustrations by the art classes. In keeping with their activities, "Catharsis," Foolscap Fillers' annual magazine, was published. It consisted of the various literary works by the members.

Derek Shubin gives an illustration of the requirements for good composition.

Members of Foolscap Fillers discuss the qualities of good literature.

Journalism Society

Organized at T.J.

Quill and Scroll is the national honor society for high school journalists. Composed of outstanding members of the newspaper and yearbook staffs, the James T. Reiva chapter of Quill and Scroll has just been organized at Thomas Jefferson. One of its aims has been the establishment of a scholarship to be awarded to an outstanding Denver high school journalist. Throughout the year these journalists work together in an effort to improve their publications.

Journalists Strive to Improve Newspaper

The school newspaper, the *Jefferson Journal*, has a dual purpose. It brings the current and future news to every student at Thomas Jefferson, and it gives those students interested in journalism an opportunity to learn the techniques essential to the publication of a newspaper.

The staff is composed of a select group of students. They must be superior in English,

have a desire to work on the paper, and they must have taken at least one semester of Journalism.

An edition is published every two weeks. Members of the staff strive to cover all activities equally and thoroughly.

The staff worked hard, but it still had time for a breakfast at Uncle John's, an assembly, and a tug of war with the Aristocrat staff.

The enthusiastic journalists always have a new sales campaign. They are shown above blowing balloons for their main hall sales desk.

ROTO is the new monthly addition to the Journal. Appearing in it is interesting journalistic news from all over the United States.

Wilder's "Our Town" Proves Success

"Our Town" by Thornton Wilder was this year's drama club play. Under the guidance of Mrs. A. Pishney, it was a great success. Interest in the theatre arts was built at T. J. by this outstanding performance.

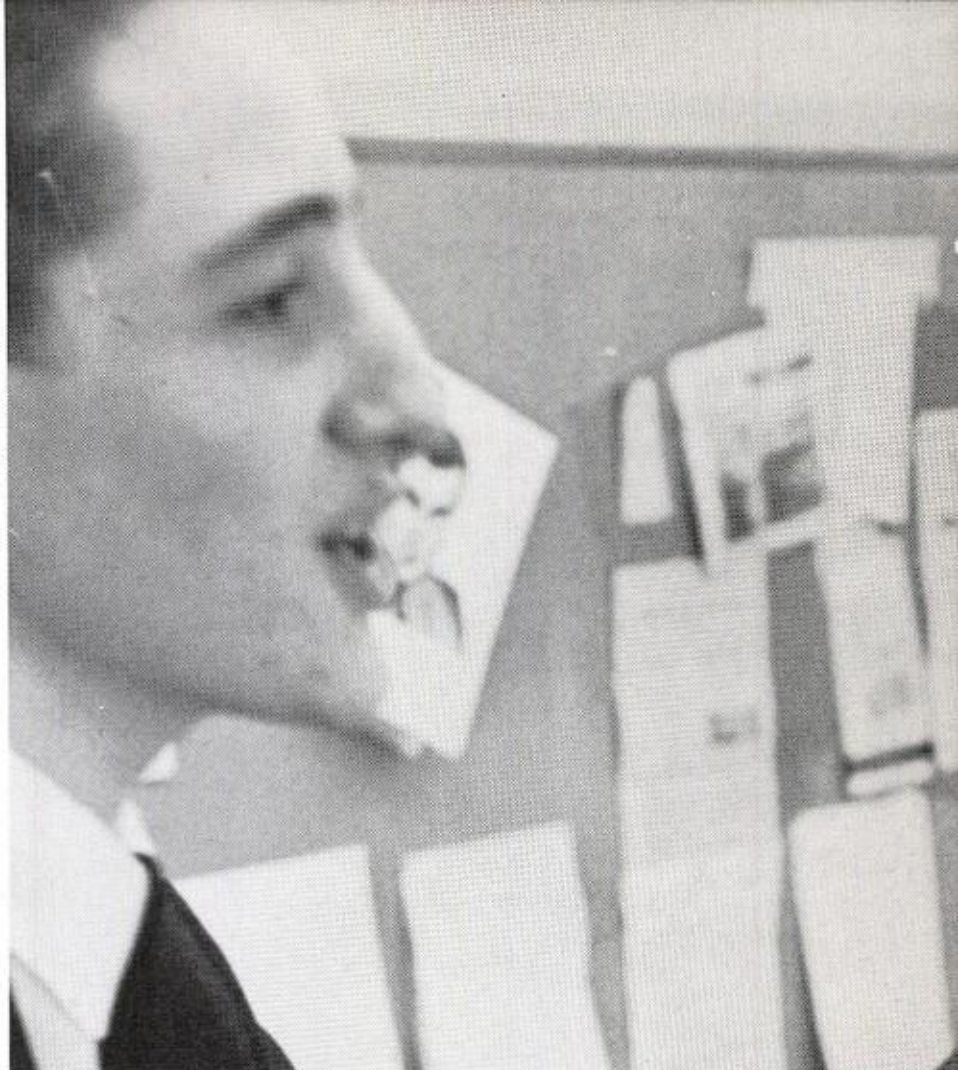

At regular meetings small productions were

performed by a member for the club. Plays given by other high schools, D. U. and Bon-fils were viewed with interest by Sock and Buskin members. Great speakers in the field of drama, also, added to the enjoyment and ability of the members.

Speakers Have Successful Year

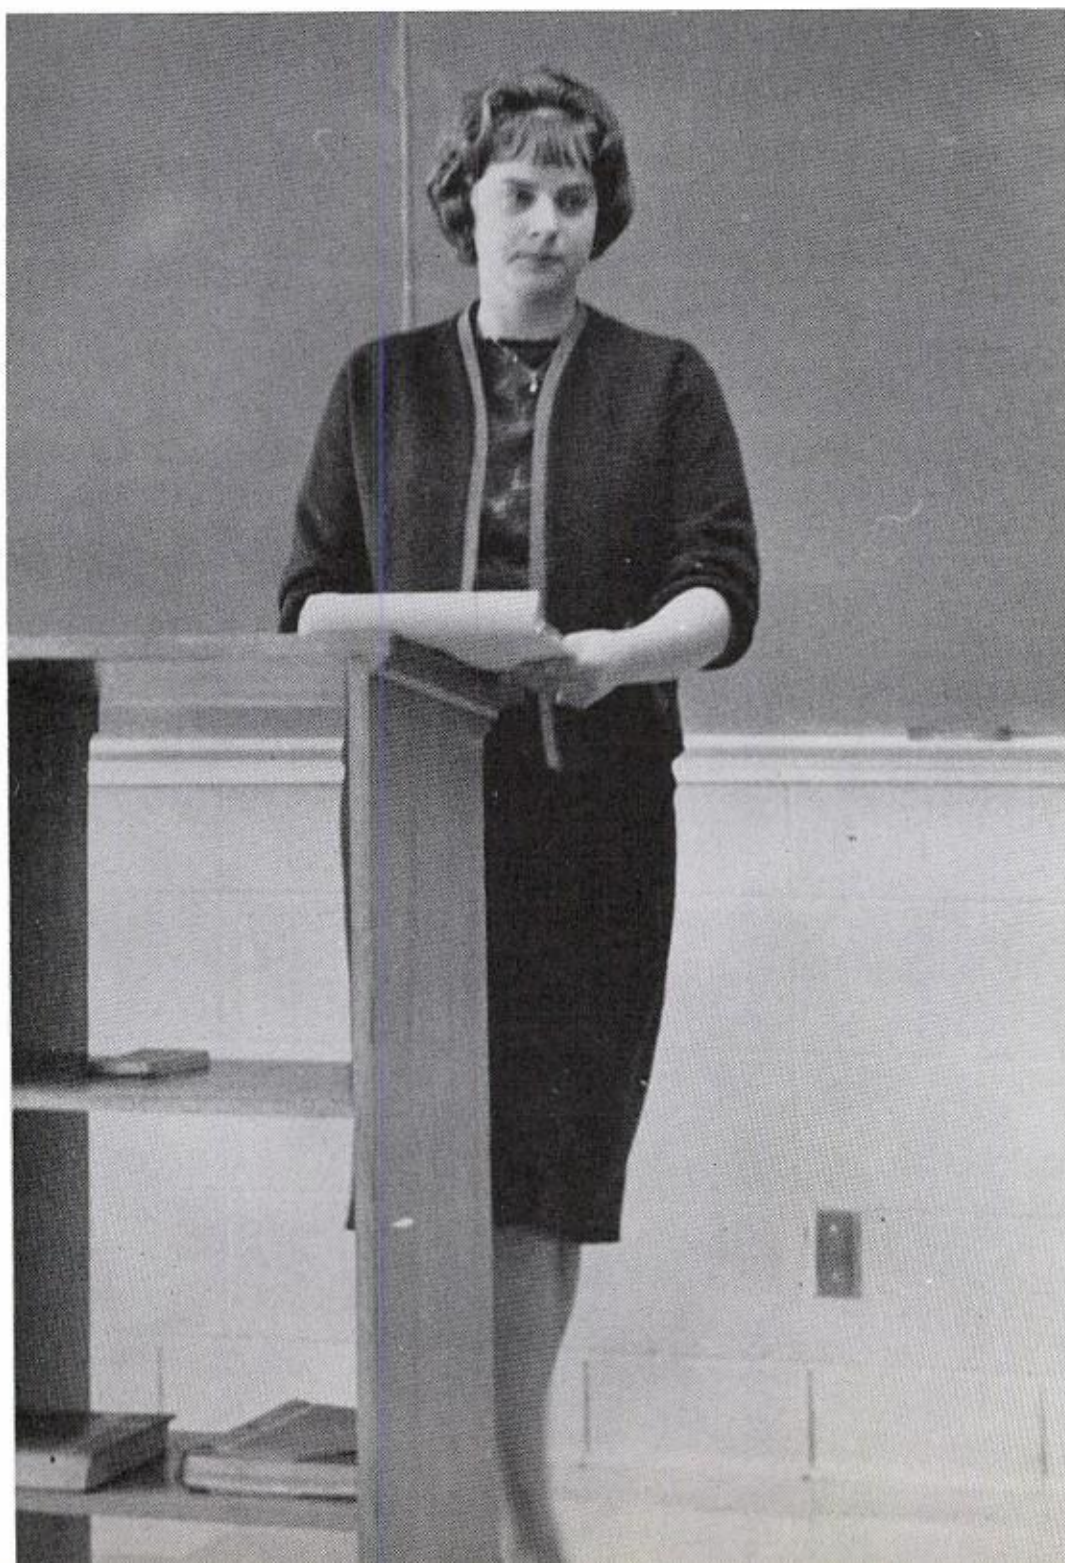

The National Forensic League is the honorary society for outstanding speakers. In order to qualify for membership in this organization, a student must have earned a minimum of 25 points in speech competition.

Thomas Jefferson's chapter of N. F. L. has been especially successful, and was the 1960-61 champion of the Colorado-Wyoming district. This year it has won many sweepstakes awards and qualified more speakers for the state tournament than any other Colorado high school.

Much work, research, and practice is needed to make a good speech. Members of N.F.L. are shown working at these different phases.

Sue Thrasher delivers one of the speeches which brought her and her debate partner first place at the Cheyenne, Wyoming, meet.

TAB Creates Interest Through Books

Teen-age Book club is sponsored by Scholastic Magazines. Any seventh, eighth, or ninth grader may belong. Through the guidance of this program, the teen-agers learn to select and read books of keen interest as well as culture and refinement. A panel of some of the nation's leading educators read and evaluate many books and recommend those which would develop and challenge the minds of today's youth. The club meets once monthly after school.

Mark Twain's life was in retrospect as TAB members presented a *This Is Your Life* assembly to kick off the TAB club. The scene above is Twain's school days in Missouri.

Lewis B. Patten, author of *Pursuit* and 39 other novels, was one of the speakers at TAB club meetings. Other speakers included Lenora Mattingly Weber and Mary Chase.

To bring young people into partisan politics and to provide an opportunity for them to find political expression and recognition is the purpose of YRC.

Thomas Jefferson's Young Republicans Club has had a very informative and active year. Among some of their many projects was an excursion to the State Capitol Building on February 2. They were invited to attend both the Senate session and the House session of Legis-

lature of the State of Colorado. In all there were eighty teenagers at this statewide meet from six counties.

The T. J. Young Republican Club has had many prominent Republicans come to their meetings to discuss politics and government. A few of these speakers have been Mr. Lyle Lindesmith, Mr. William Griffith, and Mr. Gene Toole, Republican State Chairman of Colorado.

Players silently concentrate on chessmen.

The medical field is endless in its scope. Through the Pre-Med Club students are given glimpses of the different branches of this field.

Instructions by doctors, nurses, and technicians contributed to broadening the understanding of the Pre-Med student. Trips to the Air Force Hospital, the research laboratory at National Jewish Hospital and to Ridge Home gave the student an insight into applied medical science. Pre-Med presents the medical profession in all its phases, from its opportunities to the qualifications necessary for success.

Tadpoles Swim and Stay Fit

To promote interest in water activities, to improve swimming ability, to promote sportsmanship and to promote recreational days with other Denver schools is the purpose of Tadpoles.

This swim club for girls is very popular. It has a membership of 40 and a waiting list. These girls participated in the swim and stay fit program, swimming a quarter of a mile each time they were in the pool. The Tadpoles also took an active part in the Water Show held in May.

Skiers are being towed up the slope by the T-Bar at Winter Park.

Fast action and skill is shown in the form of this skier.

Sr. High Tyrolifch Jumpers Enjoy Superior Season

Senior High Tyrolifch Jumpers have had a superior ski season. The abundance of snow on all the slopes allowed the skiers to go to many different areas. Pikes Peak, Indianhead, Winter Park, Loveland, Brëckenridge, and Arapahoe Basin were enjoyed by Tyrolifch Jumpers.

In the Spring, the racing team participated in the Mile High and Dartmouth Cup ski

events. Nancy Maresh won the girls' down hill race at Winter Park. She was picked to represent the Southern Rocky Mountain Ski Association at the National Junior Alpine Ski Championships at Kalispell, Montana.

Every week, if possible, the ski bus was waiting to take the TJ enthusiasts up to the slopes. On the slopes they enjoyed the fun and challenge of the sport of skiing.

Me

Dear Libby,
 We had fun on the
 ski bus didn't we!!!
 Maybe we can ski together
 next year if I can keep my
 knees together! You should race
 next year! You a real sweet, cute,
 skier & lots of fun. Maybe you can
 bring your guitar next year some
 of the time I don't have to
 lug mine around all the time.
 Love
 Linda

Jr. High Tyrolifch Jumpers Learn Skills

Junior High Tyrolifch Jumpers participated with great enthusiasm in this year's ski season. Skiing alongside the senior high Tyrolifch Jumpers, the junior high is developing some fine new skiers.

Each individual member is helped to obtain the greatest possible enjoyment of the sport. They are taught to cooperate with the Southern Rocky Mountain Ski Association, and other official clubs in the conduct of competitive events between clubs.

Arapahoe Ski Basin favored the Tyrolifch Jumpers in March with a weiner roast and a fun race. Skiing is a sport the American people enjoy very much. Our Jr. High Tyrolifch Jumpers are no exception.

Jr. High skiers prepare for a run down the slope.

Dear Libbie,

I have really enjoyed knowing you this year. I sure wish I knew you better than I do now. You have a personality that will really take you a long way in life. You have got the beauty that will knock out any boy.

We had our laughs together which I will always remember. I hope I see you a lot this summer. I hope you play tennis at River Power park. ~~the~~ I really had a lot of fun last summer playing there. I will absolutely be looking forward to seeing you next year. And when you come back hope next year I you are just like the same sweet girl I knew that year!

Love ya!

HALL OF

FAME

Libbie

I told you I would write again, so I am. This last time. Libbie, I will never forget all the fun times we have had together. Especially that summer when we all liked Chas. I really think you are the coolest most sincere eighth grader this year. I hope you will continue to be the same through all of your high school years. I never come back to Denver I want to find you just the same as you are now. Good luck and God bless you always.

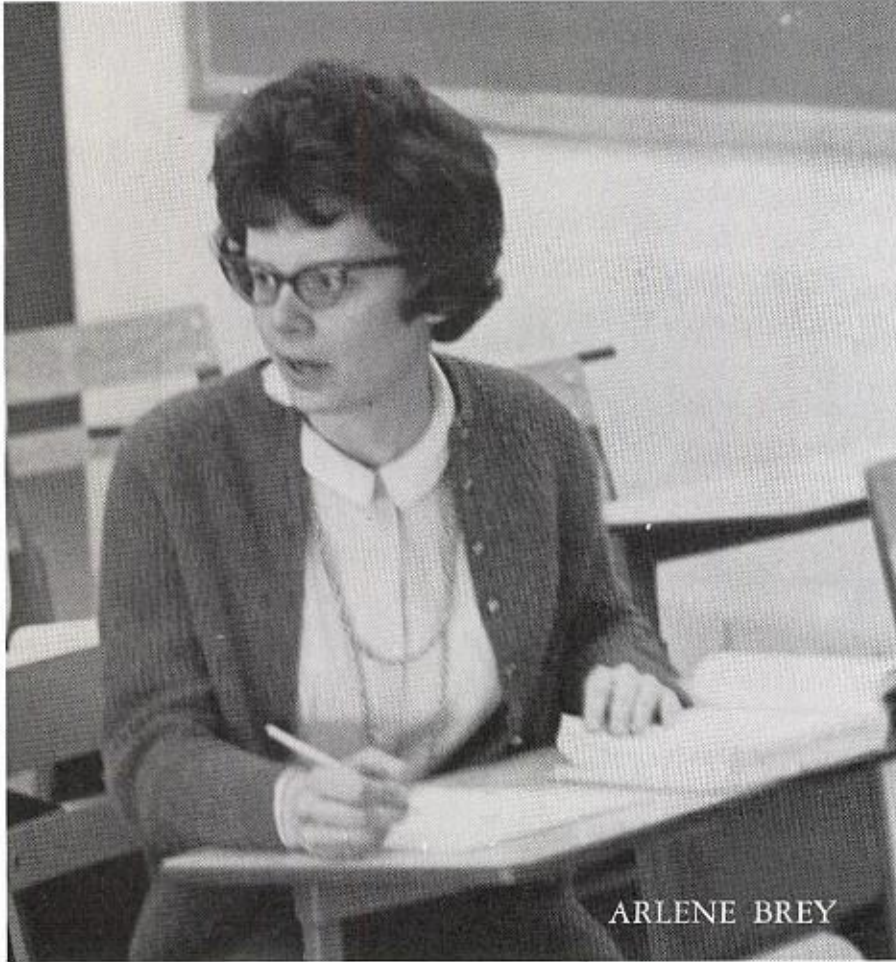

A lofty height of summity turns shallow in sight of peaks ahead

the past seems practice for the future

the rocks behind turn sand before the boulders ahead . . .

Love Always,
Kathy

As the Vice-President and Inter-Club Council Representative of Atherfies, Arlene has done a great deal to serve the school. She is a very reliable person and can be depended on whenever she is needed. Arlene is an excellent student, which is illustrated by her membership in the Honorary Scholastic Society.

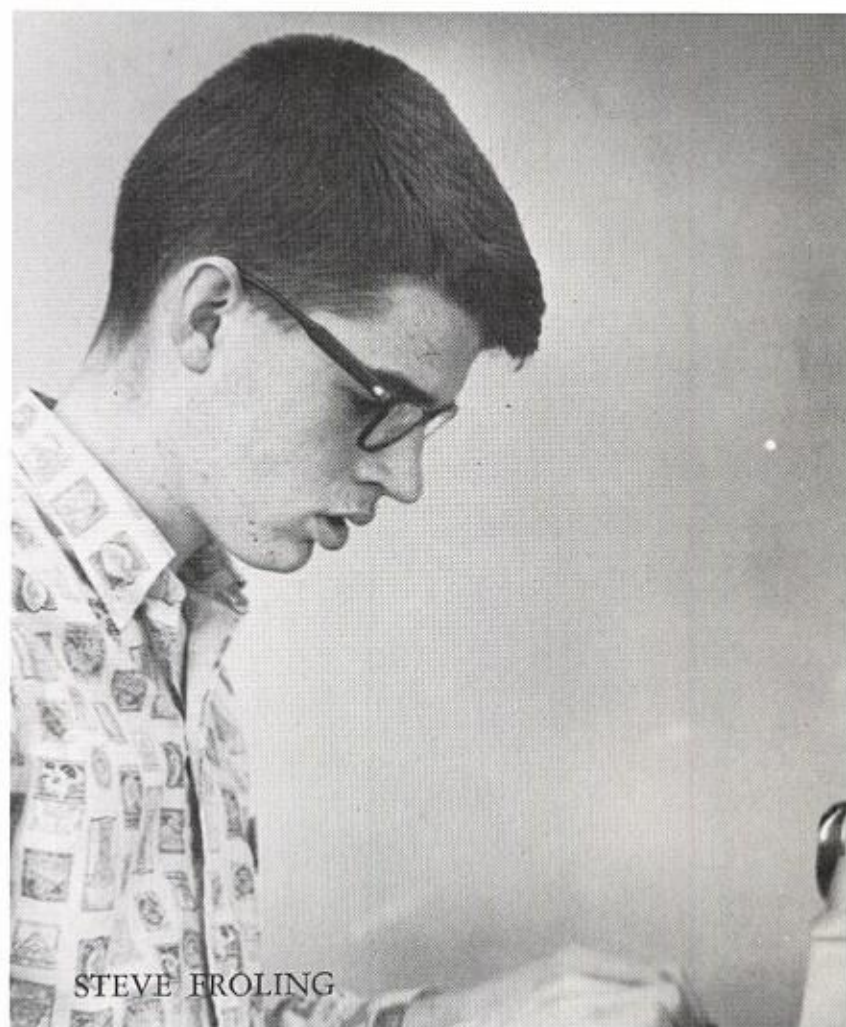

Marilyn has been very active in Tri-Hi-Y as she has served as both Treasurer and a representative to the annual Youth and Government program. She was also Treasurer of Atherfies and a member of Jefferson's Scholastic Society. Marilyn's friendly personality made her an outstanding member of the Aristocrat Staff on which she was the editor of the Senior Section.

Graduating valedictorian of the class of 1962, Matt has maintained a straight A average during his two years at Jefferson. Because of his outstanding speaking ability, he was chosen as a Junior to represent the Colorado-Wyoming district at the national speech tournament at Pittsburg where he placed fourth in original oratory. Matt is also interested in drama and is the President of the Chess Club.

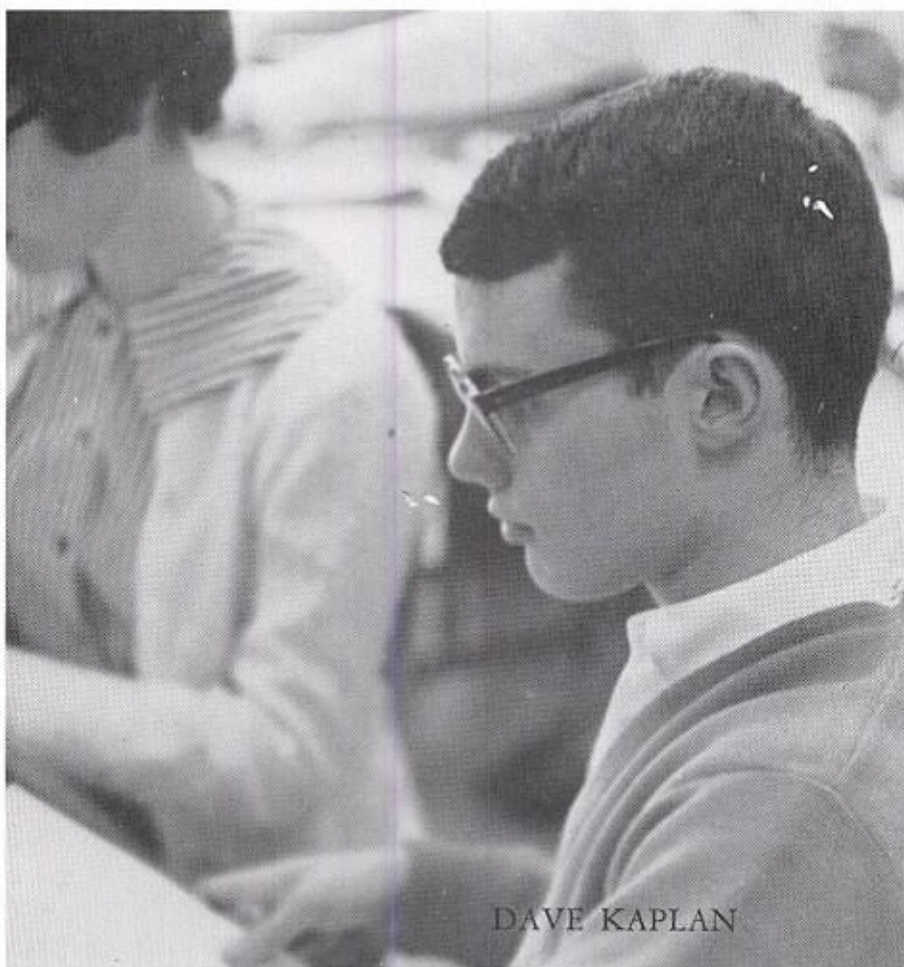

of Fame

Camouflaging his brilliance with dry, casual wit, Steve is one of Jefferson's best extemporaneous speakers. As President of Inter-Club Council he leads one of the school's most necessary organizations with the level headed leadership that sent him to Boys' State as a Junior. Steve is also a member of the Aristocrat Staff where he is a photographer and writer.

STEVE FROLING

As editor of the Aristocrat, Dave fulfills his demanding position with imagination and an easy going calmness that has gained him the respect of the entire staff as well as of the school. This leadership has also been demonstrated through his work on Student Council as a Junior. Planning to become a doctor, he is a member of the Pre-Med Club, and last year he was an excellent debater in the National Forensic League.

DAVE KAPLAN

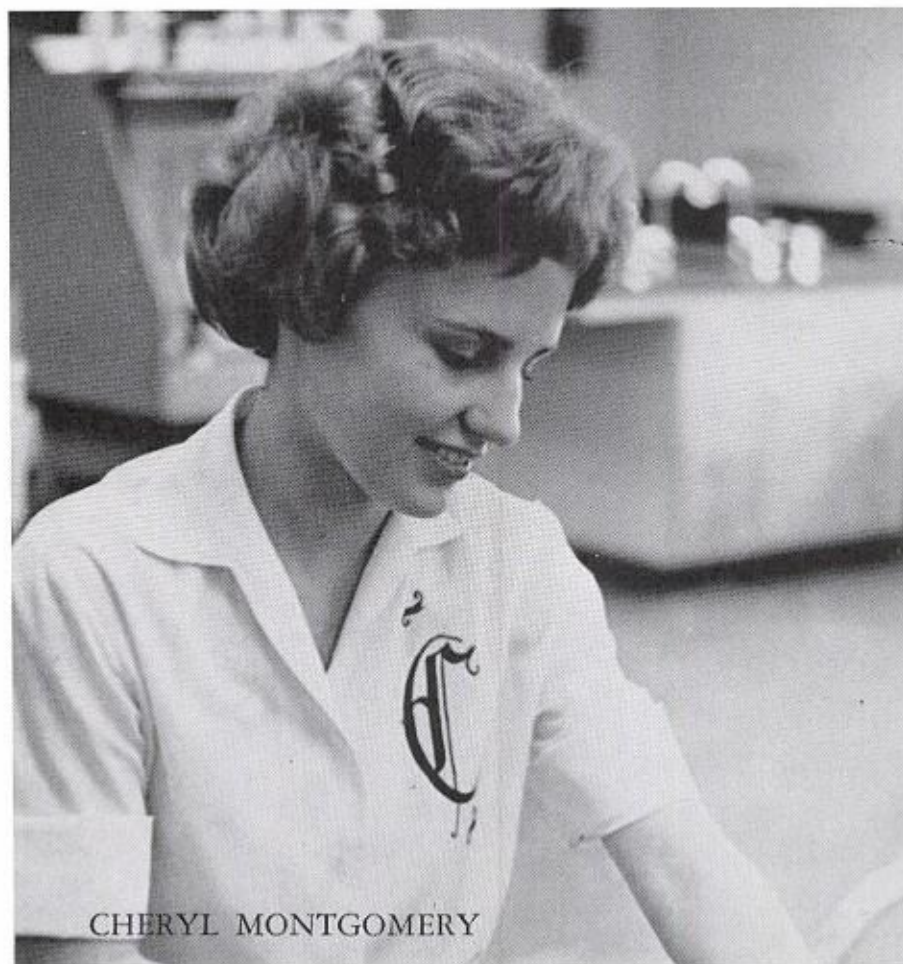

Adele is well known for her bright personality and many club activities. She was the Recording Secretary of Pep Club and a member of Tri-Hi-Y and the Foreign Language Club. She was also a member of the Senior Class Council.

ADELE MYERS

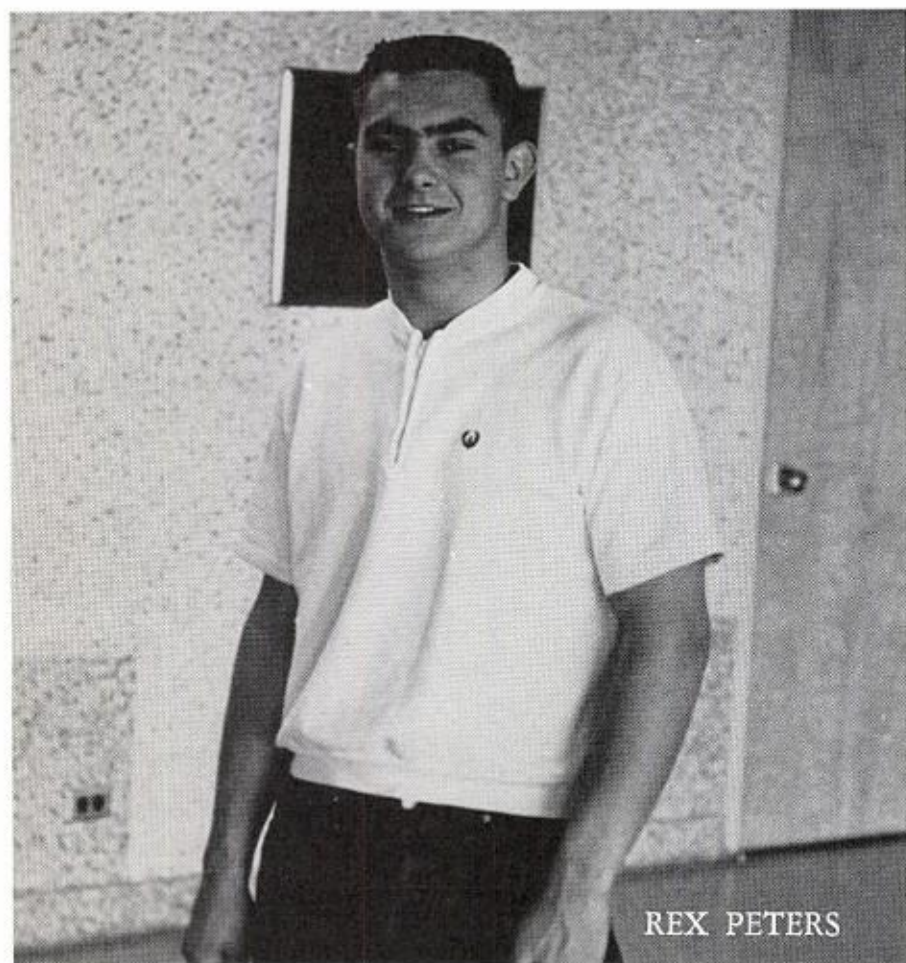

1962 Hall

Cheryl's sparkling personality and responsible leadership have made her an outstanding figure in school activities. Extremely active in Jefferson's competitive speech program, she was this year's recipient of the Governor Shaffroth Extemporaneous Speaking Award. Cheryl was a participant in the science seminar and a junior escort. She was President of the International Relations Club this year.

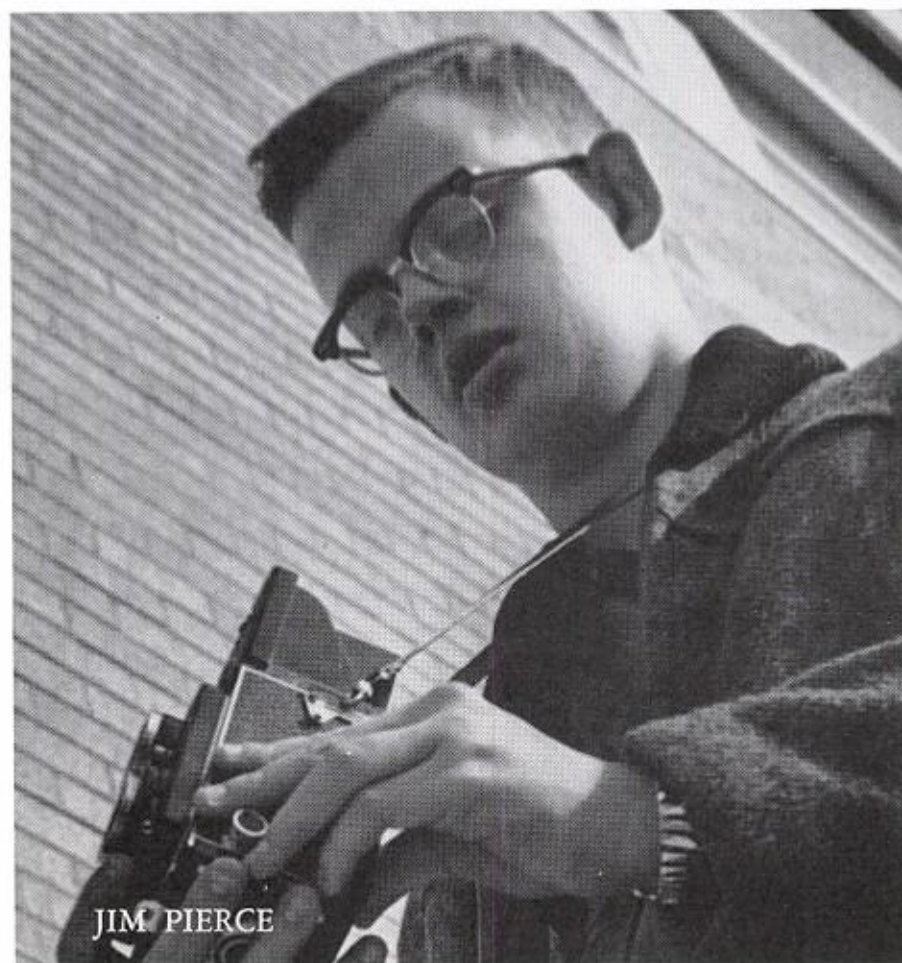

CHERYL MONTGOMERY

The reputation of being "the most feared player in the city" has been given to Rex as one of the school's best athletes. He was co-captain of the football team on which he was fullback and was chosen for the All City and All State football teams. Rex has also excelled in basketball and baseball. During his high school career Rex has earned eight letters.

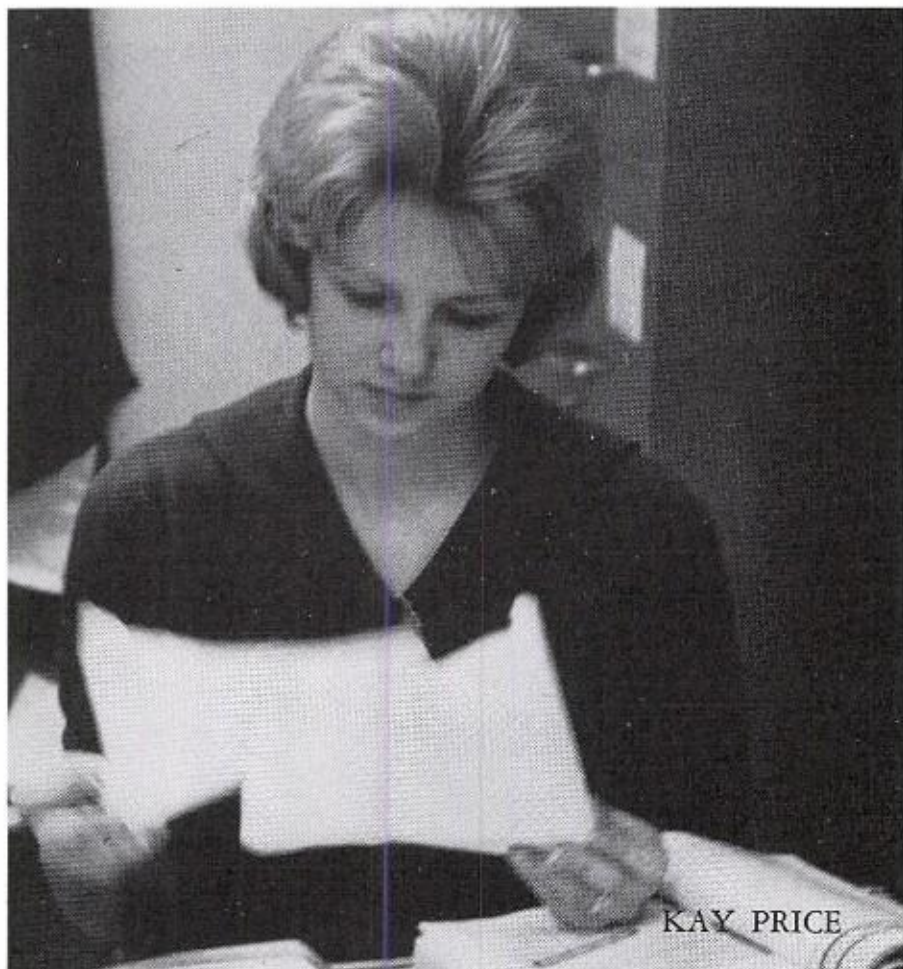

REX PETERS

Holding the rank of Captain, Jim was an important officer in N.D.C.C. Also a formidable debater and a fluent extemporaneous speaker, he has won many awards in speech competition. Jim is an excellent photographer on the Aristocrat Staff this year.

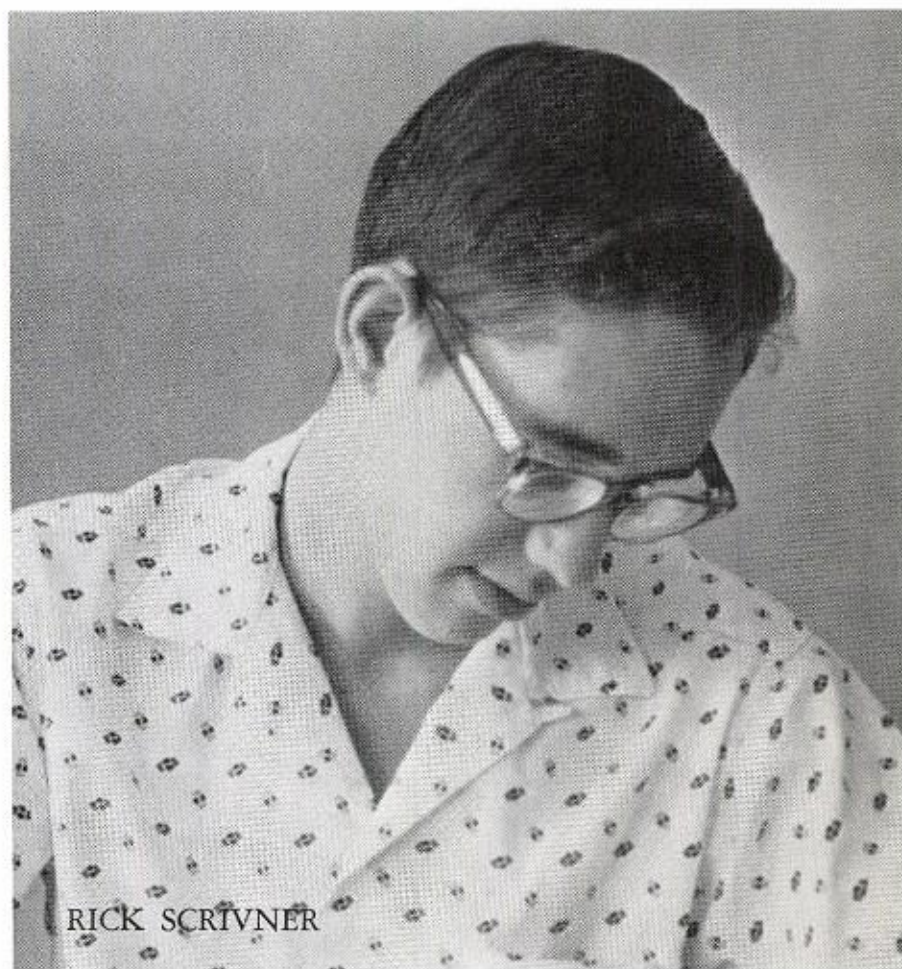

JIM PIERCE

of Fame

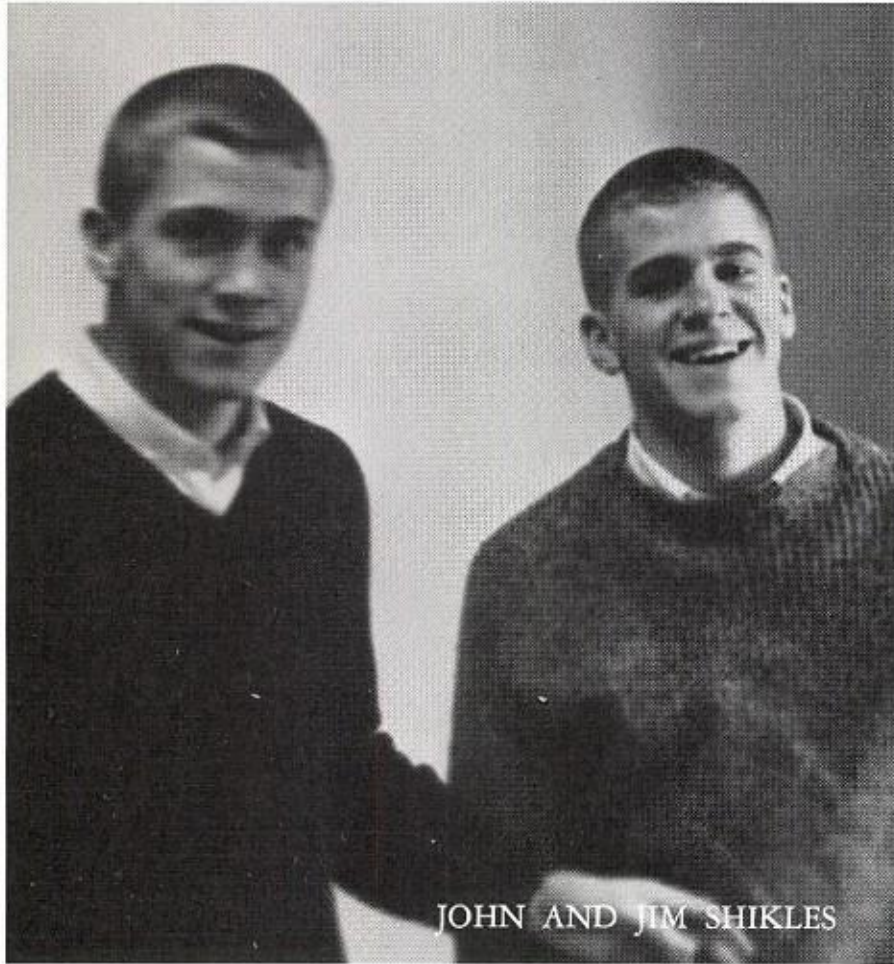

As Vice-President of the Junior Red Cross, Kay is one of the best leaders in the Senior Class. She is also a member of the Class Council and a Lieutenant Colonel in the Honorary Cadets. To these positions Kay adds a sense of humor, imagination, and reliability.

Rick was a National Merit Scholarship finalist and President of the Thomas Jefferson Scholastic Honor Society. Also recognized for his competitive speaking, Rick has won many awards and has attained the highest possible degree in the National Forensic League. As a member of the Aristocrat Staff, he was known for his ability in all areas.

Linda has demonstrated her unusual dancing ability through her participation in such presentations as the All School and Color Day Shows. Her agility and enthusiasm have also made her a stirring cheerleader. Linda's tireless support of Jefferson's activities is evidenced in her membership on the Class Council.

JOHN AND JIM SHIKLES

Jim and John have both shown outstanding and diverse abilities while at Jefferson. Their superior athletic talents have led them to excel on the varsity basketball and football teams. Demonstrating leadership as well, both have been members of the Student Council, Key Club, and "D" Club. Jim has also served as Vice-President of the Inter-Club Council. Marked by outstanding achievements, Jim and John have used their individual skills to great advantage.

Both quiet and extroverted Sue accomplishes her activities with a hard-working persistence. Her ability to put people at ease made her an excellent Vice-President of the International Relations Club and a valuable member of Atherfies. Speaking has been one of Sue's major interests, and she has been very successful in competition.

SUE THRASHER

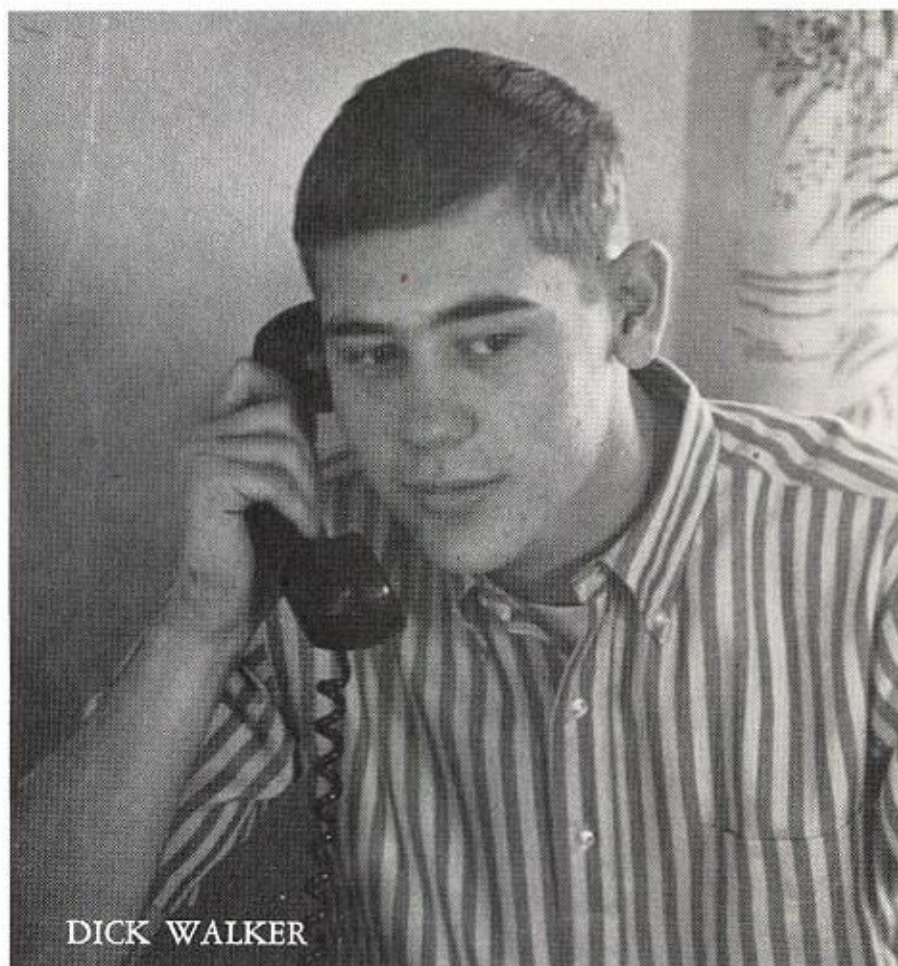

ART WAGNER

As head cheerleader Art will long be remembered at Jefferson for his enthusiasm and spirit as he led the school in traditional cheers. He has also had an active part in school government and service as a member of the Senior Class Council, Key Club, Concert Choir, and Secretary of Hi-Y.

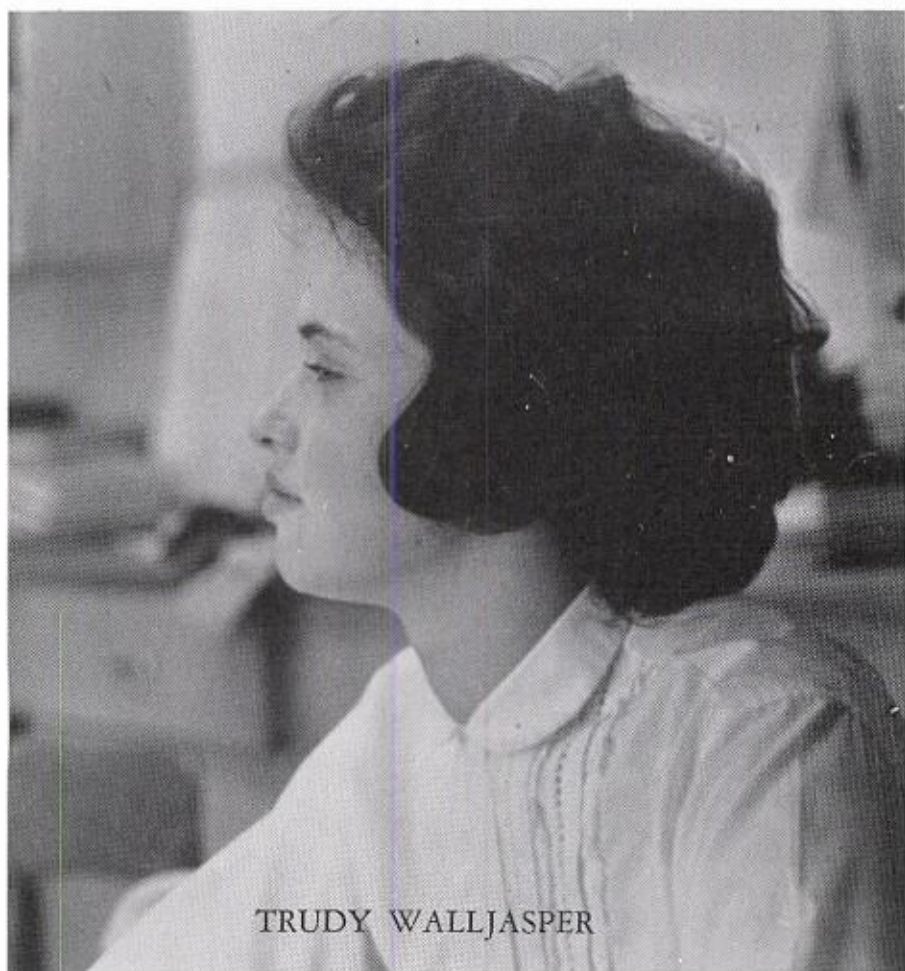

of Fame

Displaying an unusual versatility, Dick was known as both athlete and artist. He was a member of both the Sophomore and Varsity football squads and the "D" Club. His artistic ability has won the acclaim of many and brought him a number of awards.

DICK WALKER

President of the Future Teachers of America, Trudy's interest in education has resulted in her plans to become an elementary school teacher. Her interesting and witty reporting has made her one of the Journal's best staff members. Illustrating this outstanding journalistic ability is her membership in Quill and Scroll. A member of the Honor Society, Trudy has maintained a high grade average, and while doing this has served the school as Secretary of Atherfies.

TRUDY WALLJASPER

Under Nancy's efficient and creative leadership, the Pep Club has accomplished many varied and worthwhile activities this year. She took on this full time job with an enthusiasm and willingness that added new spirit to the club. Nancy is also active in Tri-Hi-Y.

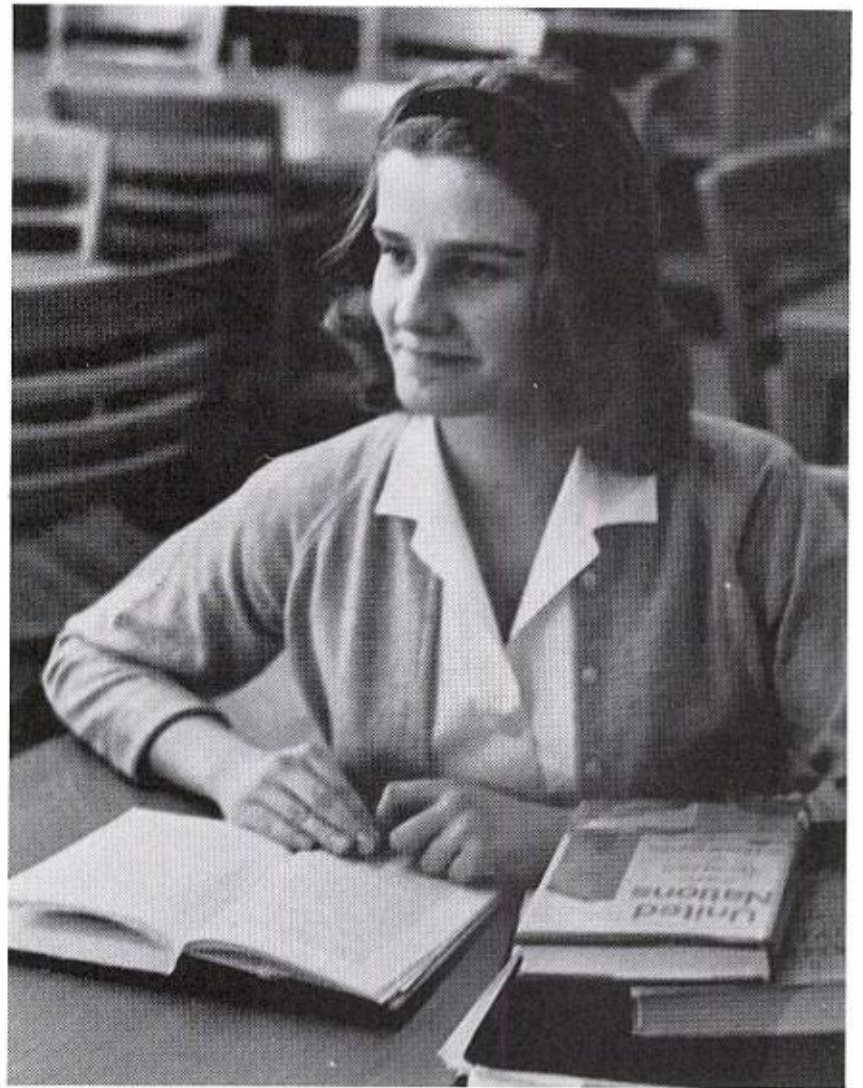

NANCY WHITE

GUILLEMETTE

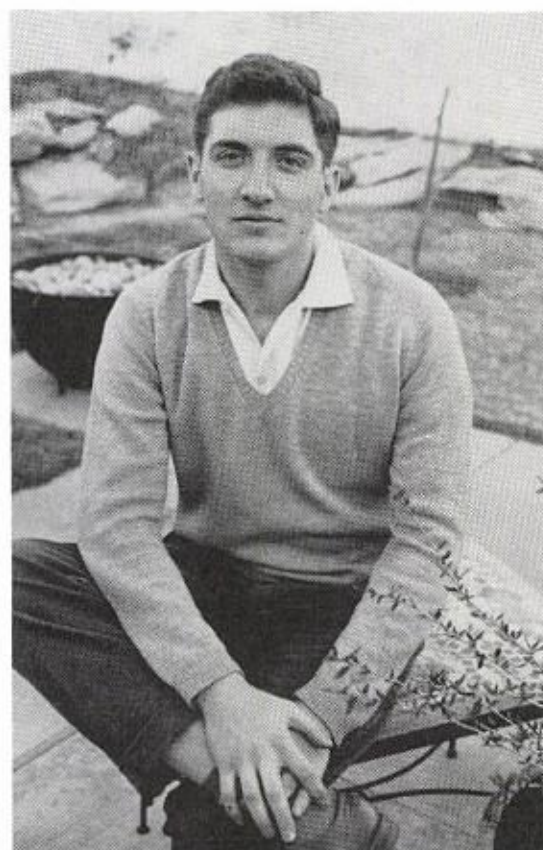

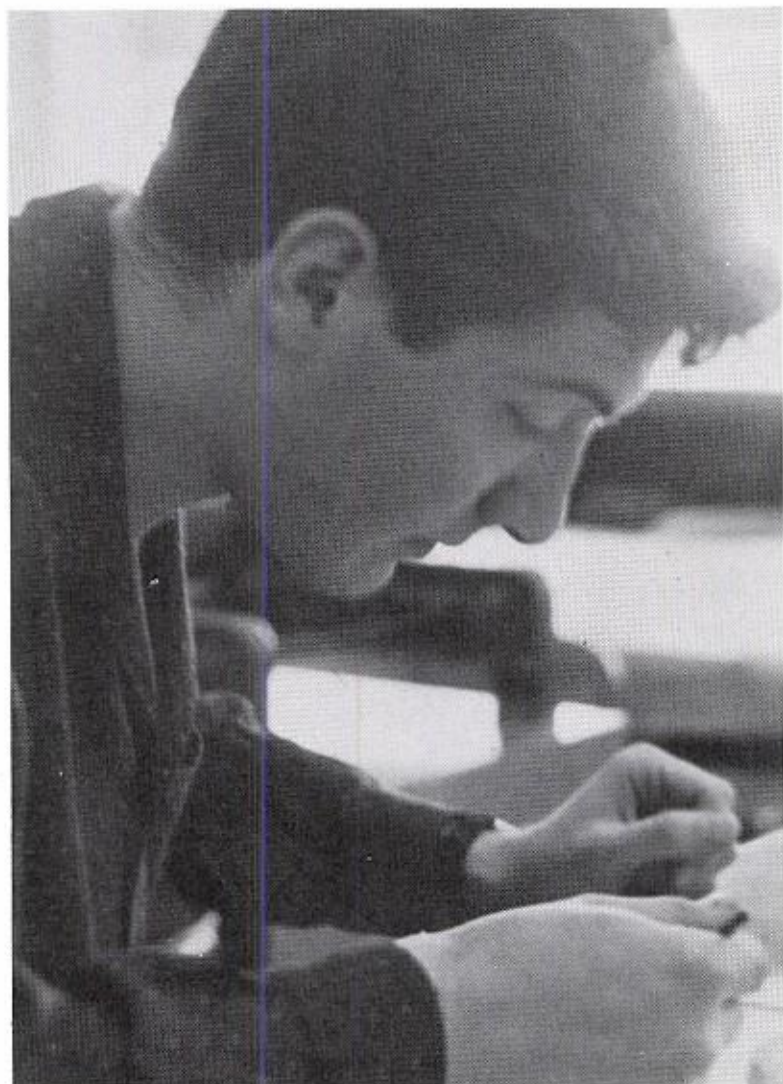

A shy face brought France to Thomas Jefferson, to study, to live and to exchange the good wishes of the French to America and ours in returning. Guillemette brought to us the meaning of co-operation among nations.

Guillemette

RAFAEL

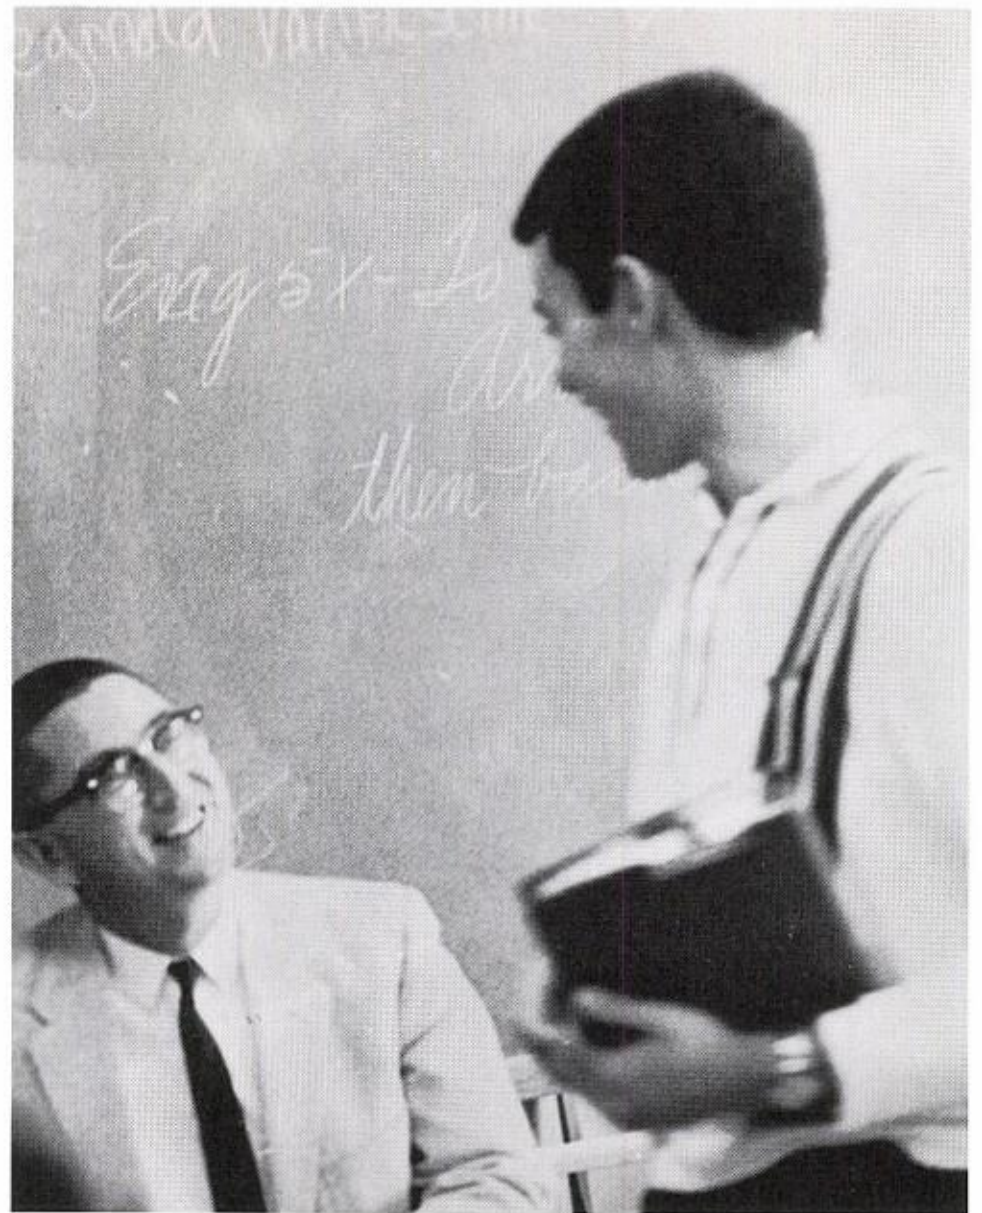

The boy from Uruguay brought the product of the best in South American schooling to make use of American schooling. Rafael, a living example of Latin America, gave us a realization of the importance of our Southern neighbors.

Buy-Buy, Baby

Good-Bye

The life and activities of Thomas Jefferson Junior and Senior High School have special meaning to the members of the Aristocrat staff, since theirs is the responsibility for making a permanent record of each year. Much hard work went into this year's Aristocrat, but the staff members gained experience and enjoyment from their effort. An active year was culminated by the distribution of yearbooks and sponsoring of "The Roaring Twenties" party.

In Memoriam

Mr. James T. Reiva, a veteran teacher and administrator in the Denver Public Schools for more than thirty years, died May 9, 1962, following a lengthy illness.

His loss is sorely felt by scores of students who had the good fortune of being guided, taught and counseled by this man; and by his associates who profited by his knowledge and leadership.
